Science Festival-2022

Organizing by Science club

Time: 12:00 PM – 02:00 PM

All the students of UG & PG classes of Bio and Mathematics group are informed that the science club is celebrating **National Science Day-2022** during 26 February to 02 March 2022. The theme of National Science Day is **Integrated approach in Science and Technology for a Sustainable Future**. During these days some important lectures based on the theme will be delivered by guest speakers from the other universities and colleges. These lectures will be made available online through Google Meet for which the link will be provided 5 minutes prior to the commencement of lecture. The presence of all students is compulsory. The schedule of the lectures is as follows: -
