Research policy implementation-

- To provide research facilities in terms of laboratory equipment, research journals, infrastructure etc. required by the faculty.
- To promote research culture, opportunities for attending conferences/seminar/workshop etc.
- Encourage the faculty to undertake collaborative research and also to sign MOUs with organizations/industries with good research facilities.
- Approach state/national/international organizations to fund major/minor research projects under taken by the faculty.
- Workshop/invited talks/lecture series/sensitization programs to be organized every year staff and PG studentstp promote research culture in campus.
- At least one research paper should be proposed/communicated by each faculty every year.
- It is compulsory for each faculty to go through plagiarism checking software.
- Efforts to develop research center in the institution to facilitate research.
- To promote interdepartmental/ interdisciplinary research projects.
- To create awareness about patents and intellectual property rights and assist them in applying.
