Context Of Community Services Policy (CSP)

Govt. Pt. Shyamacharan Shukla College, Dharsiwa deals with the work of community services for fair, good and sustainable society and believes that it is the moral obligation of the College. The higher education institution provides the society a better place and brings up good citizens. Our institute try to find the ecological, economic and social problems and their solutions at their level, to improve the quality of life at large. College aims to contribute for the creation of a better society by finding the solutions of humanistic, social, economic and ecological problems of the area.

Keeping this in mind, Govt. Pt. Shyamacharan Shukla College, Dharsiwa adopts the motto of "service for community" as its primary duty is to ensure the welfare of the society and community services through education, research, socio-cultural, sports and other extension activities.

Objectives

The CSP of Govt. Pt. Shyamacharan Shukla College, Dharsiwa aims to take the social and intellectual responsibility to make a sustainable contribution to the society for unprivileged groups and to solve ecological problems of the society.

Responsibilities

While serving the community responsibility is shared by all the stakeholders of the college; the primary responsibility of implementation of the CSP will rests on the NSS Unit, Women Development Cell, NCC, Red cross Society, Red Ribbon Club and Community Club of the college. The CSP will be monitored by a committee subject to approval of the appropriate authority.

Committee

The committee consists of the following: -

Chairperson: Principal, Govt. Pt. Shyamacharan Shukla College, Dharsiwa

Convener: Shri Kaushal Kisore, Assistant Professor

Community service Policy –

1. Encourage students to engage in community service and extension activities that align with the college's mission and values.
2. **Partner identification:** Identify and build partnerships with community organization and agencies to maximize the impact of community service efforts.
3. **Volunteerism:** encourage and support volunteerism among faculty and students, including creation of a volunteer database and opportunities for volunteer recognition.
4. **Student leadership:** provide opportunities for students to develop leadership skills through such activities.
5. **Community need assessment:** conduct regular community needs assessment in the locality to prioritize areas where the college can make the greatest impact.
6. **Sustainability:** incorporate sustainable principles into such activities and promote environmental stewardship and conversation.

7. **Awareness program:** To make provisions for various types of awareness programmes to address the diverse issues of the local community. This includes awareness programmes on substance abuse, road safety, swaachata drive, plastic Mukta Bharat, gender sensitization, social taboos, and ill practices like tonahi Pratadna, menstruation taboos and many more. The College also needs to take initiative for creating awareness on wildlife conservation and environmental education.
