

### 7.3.1.

#### **“Institutional situatedness and infrastructural development”**

The present location of the institute is surrounded by many small- and large-scale industries. It is always a priority for the college to create an industry academia linkage. The college takes some advantages from the industrial administrations for fulfilling academic needs like, funding for seminars, arrangement of temporary faculties, providing physical facilities and development of college infrastructure for the overall development of the college. In order to establish a proper communication with the nearby industries the college do regular correspondence with many industries. Some of the industrialists, public figures and respected members from Janbhagidari Samiti who are important stakeholders are nominated as external members of Institutional Internal quality Assurance Cell. We invite them in the quarterly meetings of IQAC and discuss the needs of our institute for infrastructural development. IQAC have submitted many proposals to the nearby industries for financial support through CSR fund. Because of the industrial interest and support we have developed a clean and green campus enriched with cultural ambience and scientific temperament in the students. On and before session 2017-18 and until now the institution is getting consistent support from the industries. We received extremum support in the form of water coolers, RO systems and air coolers, Computers for the newly developed computer lab, Students Desk (table and chairs) for the class rooms of newly constructed IInd floor, inverter with battery, etc. for infrastructural development. Efforts have been made by the college staff to run skill development courses for which the financial support have provided by the industrial establishments. In this regard some important contributions made by the industries are mentioned hereby-

Mahendra sponge iron private limited Siltara, Raipur provided the financial help of Rs.114151/- (one lac fourteen thousand one hundred fifty one rupees only) and Ms. Vimla infrastructure (India) private limited also provided a financial help of Rs.100000/- (one lac rupees only) that have been used by college in renovation of Science labs (Physics, Botany, Zoolgy) and infrastructural development.

The chemistry lab of the college was not well organized because of the damaged wooden platforms which were not adequate for conducting practical as well as unsafe for the students for their safety concerns. In the first cycle of accreditation by NAAC the peer team members pointed out these things. So, it became essential to renovate the chemistry labs. For this the respected principal, faculty from Chemistry department and Chairman Janbhagidari Samiti made efforts and convinced SARDA energy and minerals Ltd Raipur Chhattisgarh for providing financial help. Chemistry lab is renovated in which platforms, racks and bottle stands were prepared.

For shaping the new talent in the arena of arts and culture, the college was in the need of some musical instruments. For which we demanded to the managing Director of Rama Udyog Private Limited, Siltara Phase 02 for providing the instruments. They accepted our demand eagerly and gave various musical instruments of cost 64,300/- (sixty four thousand three hundred only).

The college has started a job-oriented diploma program, PGDCA under self-financing scheme commenced from the session of 2020-21. The program requires a laboratory setup for conducting lab sessions. To fulfill the requirement, the IQAC and Janbhagidari samiti have communicated to some industries. As a result, Chhattisgarh Ispat Bhumi Limited, Siltara, Dist.- Raipur donated 20 (twenty) computer systems. In the same way Shivalaya Power Private Limited, Dharsiwa has donated 2 (two) computer systems.

Two large sized air coolers are donated by Konark Agrotech Kapasda and Vighneshwar Ispat private limited Chaurauda, Raipur.

The 2<sup>nd</sup> floor of the building was handed over to the college in the session 2019-20. Through the floor was constructed but it was not furnished with students' desk. Godavari Power and Ispat Limited of Hira Group has donated approximately a set of 400 chairs and table for students.

A demand for water purifying system was accepted by janpad panchayat Dharsiwa and a digital water purifier system is provided under the 13<sup>th</sup> finance scheme.

The SKS Ispat and Power limited has provided a set of 50 (Fifty) chairs and tables under their CSR fund.

In the session 2020-21 Rama Udyog Dharsiwa, has provide three air-coolers for the use of staff and office during summers. Fortune Metallik Limited, Dharsiwa Raipur has provided an inverter with Exide Inva King battery which is used in computer lab of department of mathematics.

An appreciable effort has been made by the industries in developing green campus. Nandan steel developed garden by filling fertile soil and planting trees and developed a green lawn. A gardener Mr. Hriday Ram has been appointed by the firm to maintain it. Green landscape in the front part of college building is developed by local industries (Nandan steels, Siltara) they also helped by providing interior plants with pots.

Because of the industrial interest and support we have organized a National Seminar by faculty of science in the session 2019-20 which was funded by Prakash Industries, Gogaon and Nandan Steels ltd. Siltara.

Mahendra Sponge Limited also helped in decorating the college by painting wall on their own expense.

Since many of the industries are steel and power plants, it is always an area for the students of science faculty. The industries also support as in organizing educational visits for experiential

learning. The students of BSc IIIrd year have visited Nandan steels, Power plants, Solar power plants and Khunta ghat hydroelectric power plant etc. in these years.

A skill development course- Assistant Beauty Therapist has been run in the session 2021-22 for 25 girls. This course (more than 200 hours) was successfully conducted in the college premises. Godavari Power and Ispat Limited of Hira Group has provided a fund of Rs. 100000/- (one lac only) for conducting this course.

In this way the principal and staff put their consistent efforts in developing infrastructure and other academic facilities because of the institutional situatedness in the industrial belt of Dharsiwa.

विषय :- महाविद्यालय में सोलर पैनल एवं ओपन जिम की सुविधा उपलब्ध कराने बाबत।

महोदय,

विषयान्तर्गत लेख है कि महाविद्यालय में आगामी वर्षों में National Assessment & Accreditation Council (NAAC) Bengaluru की टीम द्वारा निरीक्षण किया जाना है, जो महाविद्यालय का मूल्यांकन करती है। उनके द्वारा दिये गए ग्रेड पॉइन्ट के आधार पर महाविद्यालय को शासन से वित्तिय साहायता मिलती है। मूल्यांकन में महाविद्यालय के अधोसंरचना भी उल्लेखनीय होती है। इस उद्देश्य से महाविद्यालय में Green Practices के अन्तर्गत कुछ सोलर पैनल की व्यवस्था की जानी है। जिससे की महाविद्यालय प्रांगण में (अंदर और बाहर) सोलर पैनल की मदद से lighting की जा सके।

साथ ही महाविद्यालय में स्टाफ और विद्यार्थियों के लिए Health & Hygiene Practices के अन्तर्गत Open Gym लगाने की आवश्यकता है। जिससे की खेलकूद के कॉलखण्ड में सभी इसका उपयोग कर सके।

अतः महोदय से अनुरोध है कि महाविद्यालय सोलर पैनल व Open Gym लगावाने में सहयोग प्रदान करें, ताकि महाविद्यालय एवं छात्र/छात्राओं को लाभ मिल सके।

प्रति,

श्रीमती अनीता योगेन्द्र शर्मा जी  
विधायक धरसीवा विधानसभा क्षेत्र  
जिला – रायपुर (छ.ग.)

विषय :- IQAC की त्रैमासिक बैठक में प्रगति एवं गुणवत्ता की समीक्षा और मांग की पूर्ति बाबत।

महोदया,

विषयान्तर्गत लेख है कि शासकीय पं. श्यामाचरण शुक्ल महाविद्यालय धरसीवा, (शंकर नगर) जिला-रायपुर (छ.ग.) अपने स्वयं के भवन में 2014 (छ: वर्षों) से संचालित हो रहा है। महाविद्यालय में निरंतर छात्र/छात्राओं की संख्या में वृद्धि हो रही है (तीनों संकाय कला, विज्ञान एवं वाणिज्य) जिसके अन्तर्गत वर्तमान में 1056 नियमित विद्यार्थी अध्ययनरत है। महाविद्यालय शैक्षणिक-अधोसंरचना की दिशा में निरंतर विकास की ओर अग्रसित हो रहा है।

अधोसंरचना की दिशा में जिला खनिज विकास निधि मद से (कार्यालय कलेक्टर, जिला पंचायत रायपुर) प्राप्त राशि से महाविद्यालय में द्वितीय तल का निर्माण हो चुका है, शासकीय स्वीकृति से प्राप्त राशि के अंतर्गत 100 सीटर कन्या छात्रावास का निर्माण पूर्ण हो चुका है। अतः विकसित अधोसंरचना के सफल क्रियान्वयन हेतु एवं स्थानीय जनमानस, छात्र/छात्राओं की उत्सुकता एवं संख्या में उत्तरोत्तर वृद्धि को दृष्टिगत रखते हुए निम्नांकित मांगों की पूर्ति की अपेक्षा की जाती है।

- 1) महाविद्यालय में निर्मित द्वितीय तल (DMF) के कमरों में 500 स्टील/काष्ठ कुर्सी-टेबल की आवश्यकता है। जिसकी पूर्ति से इस क्षेत्र के छात्र-छात्राओं को ज्ञान की दिशा में एक बेहतर सुविधा से अध्ययन-अध्ययापन का लाभ प्राप्त हो सकेगा। (विदित हो कि वर्तमान में छात्र संख्या के अनुपात में केवल 350 - 400 फर्नीचर व्यवस्था उपलब्ध है।)
- 2) महाविद्यालय विकास में ग्रंथालय की भूमिका महत्वपूर्ण होती है। द्वितीय तल में ग्रंथालय हॉल निर्मित की गयी है, जिसकी सुव्यवस्था, रखरखाव व अध्ययन-अध्ययापन हेतु

लाईब्रेरी टेबल, फर्नीचर पुस्तक अलमारी इत्यादि की आवश्यकता है। जिसकी पूर्ति की अपेक्षा की जाती है।

- 3) अधोसंरचना के अन्तर्गत महाविद्यालय की रिक्त भूमि में महाविद्यालयीन गतिविधियों के क्रियान्वयन हेतु 500 सीटर सभागार (ऑडोटोरियम) की आवश्यकता है। जिस पर विचार कर उक्त दिशा में उचित पहल करने का कष्ट करेंगे।
- 4) PGDCA कोर्स के लिए 40 सीटों की अनुमति स्ववित्तीय आधार पर शासन द्वारा मिली है। इस बाबत कोई बजट शासन द्वारा प्राप्त या प्रस्तावित नहीं है। आगामी माह से कोर्स प्रारंभ करने हेतु आवश्यक पुस्तकें एवं 10 Desktop computer की आवश्यकता है। इस आवश्यकता को पूर्ण करने की अपेक्षा महाविद्यालय परिवार विधायक महोदया से करता है।
- 5) पूर्व बैठक में आदरणीय श्री रविन्द्र सिंह जी द्वारा महाविद्यालय परिसर में औषधीय पौधे लगवाने की सहमति दी गई थी। महाविद्यालय उनसे अपेक्षा करता है कि Fencing एवं मिट्टी खाद की व्यवस्था कराकर garden की अधोसंरचना विकसित करने में सहयोग करें।
- 6) महाविद्यालय क्षेत्र में भूजल प्रदूषित है। महाविद्यालय में आध्ययनरत लगभग 1000 छात्रों एवं स्टाफ के लिए शुद्ध पेयजल की आपूर्ति बाबत जनपद पंचायत धरसीवा पूर्व विधायक एवं दानदाताओं द्वारा कुल चार RO Plant एवं Water Cooler की व्यवस्था की गई थी। श्री रविन्द्र सिंह जी से अपेक्षा है कि इन RO Plant एवं Water Cooler की Annual Maintenance Contract आपके माध्यम से कराकर आवश्यकता की पूर्ति करने का कष्ट करें।

अतः उक्त बिन्दुओं की पूर्ति की दिशा में आवश्यक कार्यवाही करने हेतु पत्र आपकी ओर प्रेषित है।
