Report on

Value Added Course: Tally – Level 1

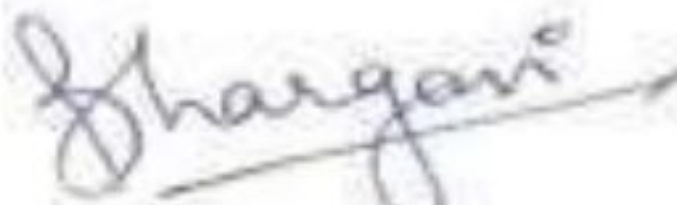

Govt. Pt. Shyamacharan Shukla College aims to provide an education which is based on values, quality and employment oriented to the stakeholders. In order to achieve this objective recently we have introduced some value-added courses. Department of Commerce conducted value added course on Tally – Level 1 from 6th September to 25th September 2021. Total 93 students from all departments registered for this course. The duration of value-added course is 30 hours with a combination of 15 hours of theory and 15 hours of practical. The course content is being divided into five units which includes: -

1. Fundamentals of accounting and introduction of Tally
2. Accounting & Inventory Management
3. Transaction/Vouchers
4. Reports and financial statement
5. Data security and backup and introduction about GST

through this course content students learned about various accounting activities, prepare financial statement, data security etc. with the help of theory and practical. The evaluation process is completed on the basis of assignment, practical and tests. Theory and practical session were handled by Mr. Mahesh Verma, Tally Trainer and Mr. Umesh Verma Lab Technician. After completing this course, better employment option will be available to the students in the market they can do accounting work, they can work as inventory manager, book keeper accountant, as well as they have career opportunity as tally freelancer. The training on Tally Level 1 was accomplished well with the feedback from students who found the program very beneficial. It is plan to extend this value-added training in the next few months with some advanced version of tally and other accounting software.

Value Added Course

Computer Software Development Skill

The ever-changing global scenario makes the world more competitive and requires high levels of lateral thinking and the spirit of entrepreneurship to cope up with emerging challenges. Many a times, the defined skill sets that are being imparted to students today with Program Specific Objectives in educations become redundant sooner than later due to rapid technological advancements. It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes.

Objectives

- To improve employability skills of students.
- To provide an opportunity to students to develop interdisciplinary skills. To mold students as job providers rather than job seekers.

Learning Outcome:

- Demonstrate a basic understanding of computer software
- Demonstrate problem solving skill.
- Apply logical skills to programming in variety of languages.
- Utilize Web Technology.
- Working effectively in team.
- Apply the skills that are the focus of this Program to business or job scenarios.

Tally
POWER OF SIMPLICITY

LEVEL- 1

This college is established in rural area. There is an industrial environment all around. Getting the theoretical knowledge of accounting through graduation level course is not enough to get employment. This course trains the students with the most required industrial features of Tally in day-to-day accounting work like Accounting, Invoicing, Inventory management, Finalization Adjustments, Reports making, Cost Analysis, Budgetary control, etc. so that while they actual get placed anywhere, they should be able to handle all these industrial requirements most efficiently.

Objectives

Tally is an accounting package that is used for learning to maintain accounts. It is very useful for any students to get placements in different offices as well as companies in accounts departments. They can do the accounting work by themselves too.

Learning Outcome:

- Describe the basic accounting concept and principals.
- Generate accounting and inventory master, vouchers and basic reports in tally.
- Prepare the cash flow and fund flow statements using tally
- Understand the applications of accounting with Tally.
- Prepare accounting vouchers, ledger and various reports.
- Enter the accounting transactions in computerized format and find the financial result of a concern.
- Acquire the skill of financial decision making in a systemized manner.
- Interpret the financial statements as well as evaluation of stock at the end.

Minutes of IQAC meeting held on 26.08.2021

In context to the letter no. 1845 dated 23.08.2021 from Directorate of higher education, Govt. of Chhattisgarh, a meeting of IQAC was held on 26.08.2021 (Thursday) in the principal chamber.

Agenda: -

Discussion on Value Added Courses

Members present: -

Dr. Vinod Sharma – Principal (Chairman)

Shri K K Sharma – Assistant professor of Botany (Member)

Dr. Sushama Mishra- Assistant professor of English (Member)

Dr. Nidhi Dewangan- Assistant professor of Mathematics (Member)

Dr. C L Sahu- Assistant professor of Hindi (Member)

Dr. Sunita Dubey- Assistant professor of Commerce (Member)

Dr. Rashmi Kujur- Assistant professor of Sociology (Member)

Dr. Sanjay Singh- Assistant professor of Commerce (Member)

Ku. Aditi Rani Bhagat- Assistant professor of Commerce (Member)

Kalpna Pandey- Assistant professor of Hindi (Member)

Dr. G Nag Bhargavi- Assistant professor of Physics (Co-ordinator)

Minutes of the meeting: -

1. Co-Ordinator has discussed the about the above-mentioned letter in detail with the members who were present. In order to develop skill.
2. All the members gave their consent to start the value-added courses.
3. Heads from each faculty presented the proposal of value-added course in the meeting.
4. Some major decisions taken by the members-
 - In each course a maximum of 30 students per batch will be entertained. In case of applicants more than 30 for a course, than accordingly 2 or 3 batches (each of 30 students) will be made.
 - A student can join only one course at a time.
 - Classes will be conducted in both offline (practical sessions) and online mode (theory).
 - The timings of conduction of classes (Value added course) will not affect the regular classes which are scheduled according to the time table.
 - Honorarium given to the speakers for invited lectures will be Rs. 1000/- per lecture.
 - Registration fee of Rs. 200/- will collected from each student regardless of the course.
 - The selection of students (30 per batch) will be made on the basis of **first come first serve**.
 - All the rules of COVID-19 will be followed during offline classes.
 - Alumni can all participate in these courses.
5. All the members are advised to submit their proposal containing details of syllabus, number of students, list of experts and budget to IQAC on or before 15.9.2021.

RAIPUR (CG)**

Department of Physics

Value Added Course
On
Renewable Energy and Technology

Programme
Date- 3rd Dec. 2021
Platform- Google Meet

11:00 am	Invocation by <i>Dr. Nidhi Dewangan</i> Head, Department of Mathematics
11:00-11:05 am	Address by <i>Dr. (Smt.) Vinod Sharma</i> Principal/ Patron
11:05-11:10 am	Brief introduction about the course by <i>Dr. G Nag Bhargavi</i> Head, Department of Physics/ Course Co-ordinator
11:10-11:20 am	Address by Chief Guest <i>Prof. Dr. Sanjay Tiwari</i> Head, Department of Renewable Energy Technology and Management Pt. Ravishankar Shukla University, Raipur
11:20-11:25 am	Vote of Thanks by <i>Shri Kaushal Kishore</i> Head, Department of Botany
11:25-11:30 am	Introduction of Prof. Sanjay Tiwari (Speaker) by Dr. G Nag Bhargavi (Course Co-ordinator)
11:30-12:30 am	Keynote address on “Renewable Energy” by Prof. Sanjay Tiwari

**VALUE ADDED COURSE ON
RENEWABLE ENERGY & TECHNOLOGY
Organized by- DEPARTMENT OF PHYSICS
(03.12.2021-22.12.2021)**

The Department of physics Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur has organized a value -added course on “Renewable Energy & Technology” during 03.12.2021 to 22.12.2021. On the very first day during the inaugural session Dr. Nidhi Dewangan, Head Department of Mathematics has welcomed the honourable Chief Guest Prof. Sanjay Tiwari, Professor & Head, Department of Renewable Energy Technology & management, Pt. Ravishankar Shukla University, Raipur (CG), respected principal Dr. (Smt.) Vinod Sharma, the faculty members from all the faculties and students. In the welcome address respected principal madam conveyed best wishes for organizing this course. The chief guest of the inaugural session and the invited speaker Prof. Sanjay Tiwari, in his address congratulated the principal and staff for organizing value added course on such an important topic. In his address he also focused on the need of conducting this kind of courses and its social and ethical impacts on the society. He also wished the students for their best performance during the course and future as well. The coordinator of the course Dr. G Nag Bhargavi, Assistant prof. Department of Physics introduced the session with the objectives and theme of the course. She also gave a brief on the various topics to be covered and the resource persons who will join and train the participants. In the end Shri Kaushal Kishore, Assistant Professor of Botany gave vote of thanks.

Total 70 students from BSc. I, II and III year (PCM group) were participated in this course. During this course 16 lectures (each of 1 hour), 05 Laboratory sessions (each of 1 hour 30 minutes), a field visit (7 hours) and Seminar (by participants) were organized. Invited talks were delivered by 04 subject experts of different fields and rest of the lectures were conducted by the co-ordinator. Experts from various renowned academic institutes like Pt. Ravishankar Shukla University, Raipur, National Institute of Technology, Raipur, PG colleges of State were invited to train the students. All the fundamental topics as per the syllabus were covered and discussed in detail during this course. All the participants were evaluated on their performance in various parameters like written test, practical exam, Seminar, project and holistic response. Dr. Govind Prasad Sahu, Assistant prof, Center Basic Science, Pt. ravishankar Shukla Univwewrsity, Raipur, Dr. M L Satnami, SOS in Chemistry, Pt. ravishankar Shukla Univwewrsity, Raipur, and Shri Hemant Deshmukh, Assistant professor, Department of Chemistry have judged all the projects.

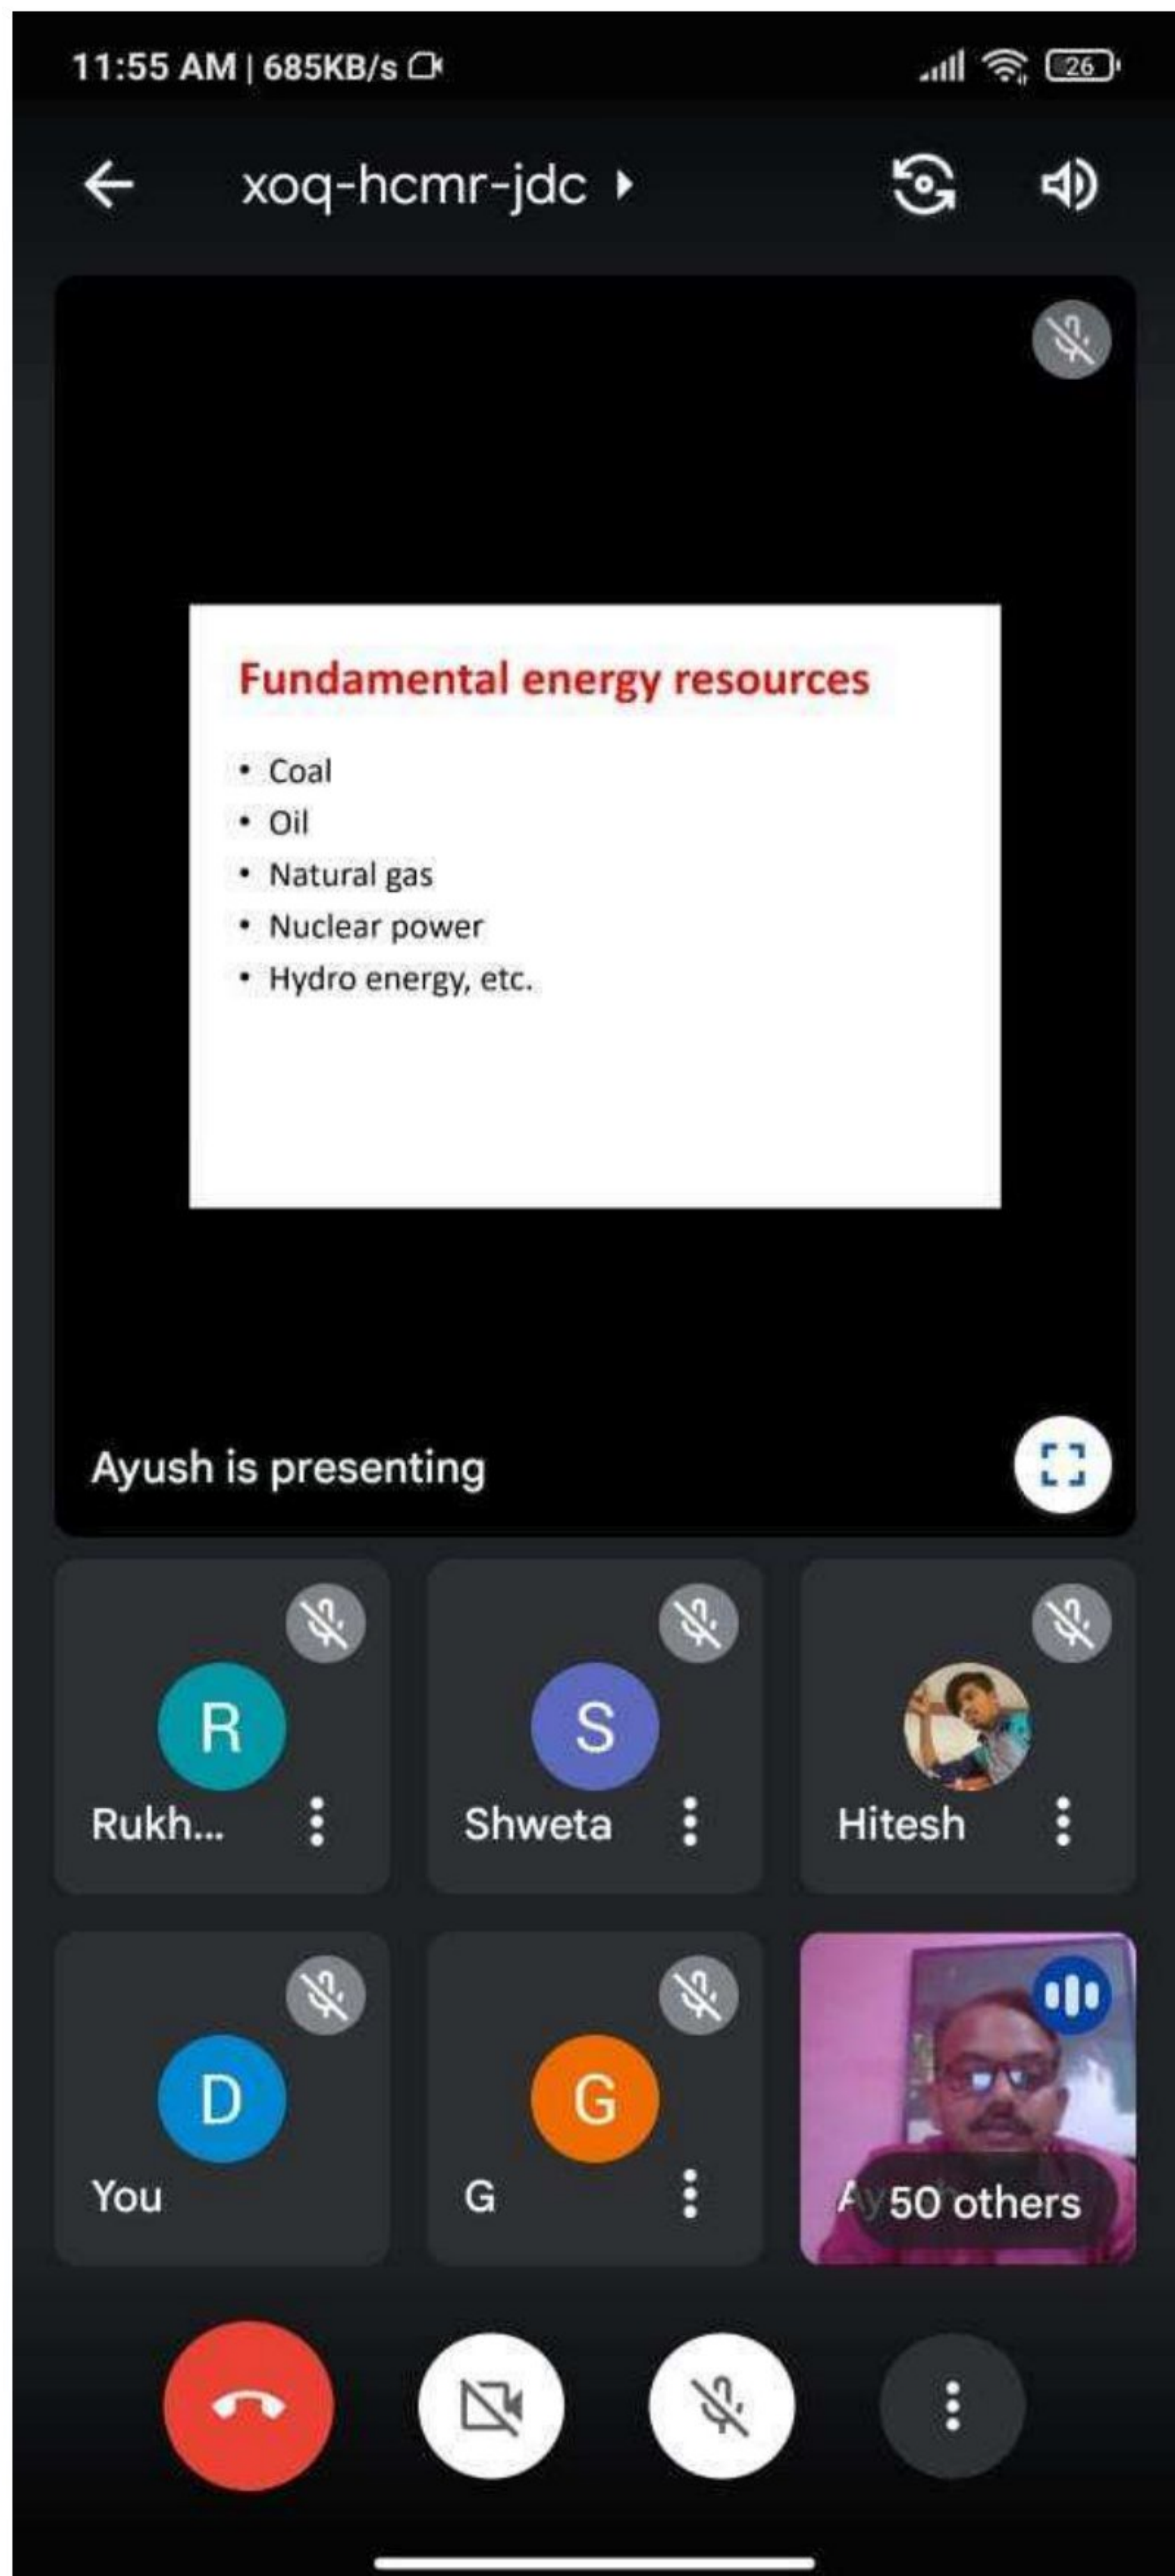

DAY – 1 (3.12.2021)

Keynote address (11.30am to 12.30pm) by Prof. Sanjay Tiwari, Professor & Head, Department of Renewable Energy Technology & management, Pt. Ravishankar Shukla University, Raipur (CG), addressing the students about renewable energy for bright and sustainable future.

Day -2 (4.12.2021)

On the second day (11am – 12 Noon) **Dr. Ayush Khare**, Associate Professor, Department of Physics, National Institute of technology Raipur has discussed on the topic "Energy Sources and Energy Scenerio" Prof. Khare explained in a very interesting manner from the initial concepts of fundamental sources of energy present status of energy sources and the technology involved in accessing the natural/renewable energy. He also introduced the participants with his current research on the solar cells.

DAY-3 (6.12.2021)

On the Third day (10.30am – 11.30am) Prof. Kaushal Kishore, Department of Botany delivered an interesting and useful talk on the topic “Atmosphere-its definition, composition and

Dynamics”. He explained in detail about the various layers of atmosphere i.e. Lithosphere, hydrosphere, Bio-sphere, the hydrological cycle etc.

DAY-5 (08.12.2021)

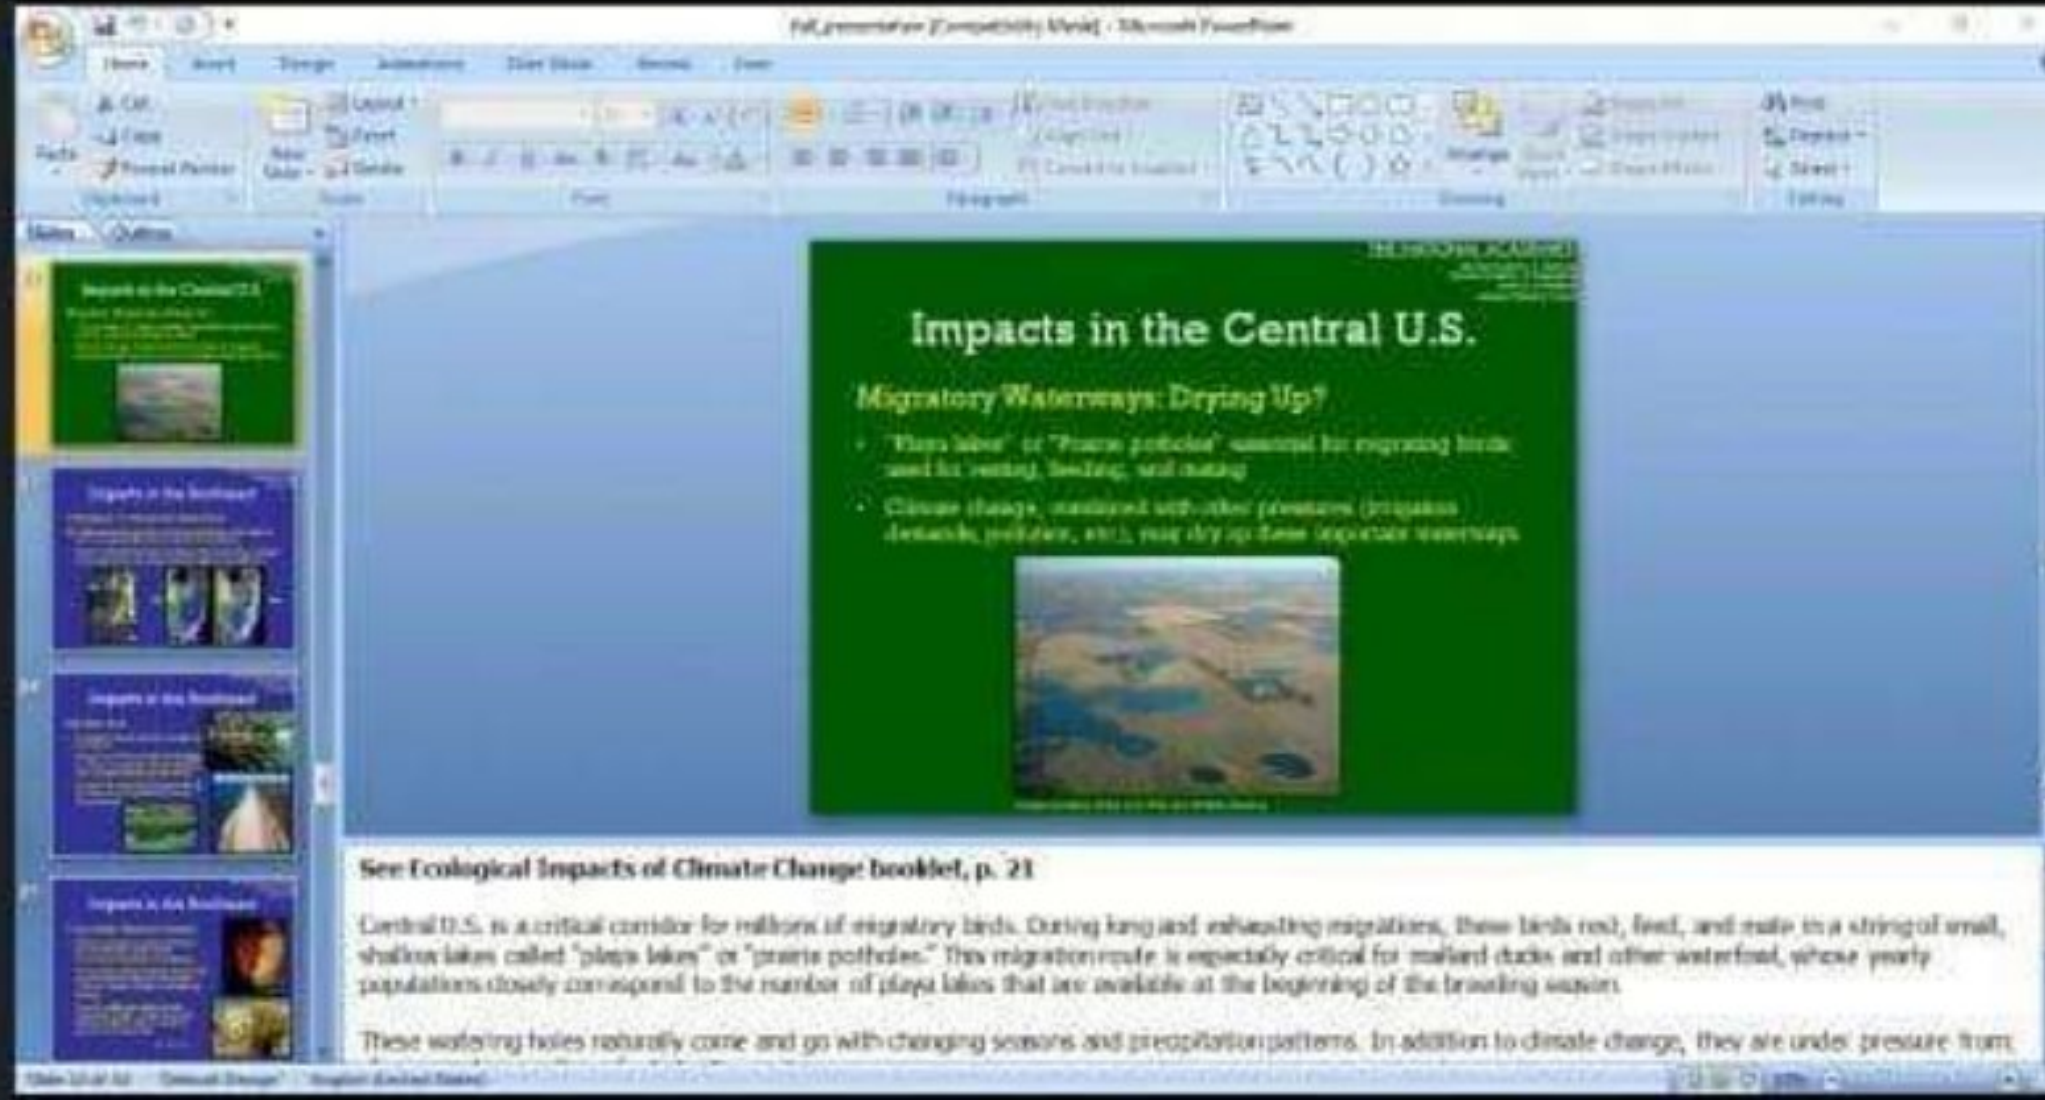

Visit to 5 Mega Watt Solar Energy Plant at NAYA Raipur developed by CREDA (Chhattisgarh Renewable Energy Development Authority) and Energy Education Park, Mana Raipur. (Timings- 9.30am-5.30am). The students were made aware of the working of solar panels and the process of power generation. In the energy education park they were acquainted with the new and advance resources of energy.

DAY-8 (11.12.2021)

(10:30am- 11.30am) **Dr. Neetu Harmukh, Assistant Professor, Department of Botany, Govt. DB PG Girls' College Raipur**, delivered lecture on "Concept of ecology and ecosystem and Climate change". He gave valuable information about recent steps taken by the government for sustainability and conservation.

neetu is presenting

DAY-13,14 &15 (17-21.12.2021) Timings 4-5 pm

Students of the Value-added course presenting seminar.

DAY-16 (22.12.2021)

Students presenting Science Models (Project Work) on energy conservation

DAY 17- (29. 12. 2021)

The assessment of students was done on the basis of their performance in theory, practical, seminar and project work. Out of 72 registrations 63 students appeared in the exam and received grades between A+ and B. The details of the grades are attached below.

DAY-18- (08.12.2021)-Valedictory and certificate distribution

The students who appeared and passed the exam were awarded with grades and the certificates were distributed in the esteemed presence of respected Principal Dr. Vinod Sharma and others faculties.

APPLICATION FOR CONDUCTING VALUE ADDED COURSE

1. Name of the Department : ENGLISH
2. UG/PG Programme : UG
3. Details of the Value – Added Courses :
 - a. Name of the value – Added Course: Developing Communication Skills and soft Skills for Leadership and Team Management
 - b. Type of Value Added Course : Practical Integrated Theory
 - c. Short Description : Enclosure -1 Enclosed – YES
 - d. Syllabus including marks & Theory/ Practical hours: Enclosure -2 Enclosed – YES
4. Target audience:
 - (a) UG Final year Students (B.A.III, B.Sc. III, B.Com.III)
 - (b) Duration of the course 30 hours
5. Details of Faculty handling the course :
 - a. Name of the Faculty handling the Value Added Course: Dr. Sushama Mishra ,
Asst. Prof. & Head Dept. of English
 - b. Details of Resource Persons (name & designation) : Enclosure -3 enclosed – YES
 - c. Contact details : Email id: mishrasushma2301@gmail.com Mob. No. 9993644543
6. Tentative Time Table including dates of internal assessments Enclosure -4 Enclosed YES
7. Number of students opting for the course: Maximum 30
8. IQAC Minutes Enclosure 5 enclosed – YES
9. Name and Designation of the Course Coordinator: Dr. Sushama Mishra Asst. Prof. & Head (Dept. of English)

Dr. Sushama Mishra Asst.
Prof. & Head (Dept. of English)

**VALUE ADDED COURSE ON
RESEARCH METHODOLOGY
Organized by- INTERNAL QUALITY ASSURANCE CELL
(12.07.2022-10.09.2022)**

FINAL REPORT

The Internal Quality Assurance Cell, Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur has organized a value -added course on “Research Methodology” during 12.07.2022 to 10.09.2022. In the inaugural session the respected principal Dr. Shabnoor Siddiqui has welcomed the honourable Chief Guest R. S. Kher, Principal, Govt. Madanlal Shukla PG College Seepat, the faculty members from all the faculties and students. In the welcome address respected principal madam conveyed best wishes for organizing this course. She also appreciated the faculty for conducting this course for so as to develop a research culture in the college. The chief guest of the inaugural session and the invited speaker Prof. R S Kher, in his address congratulated the principal and staff for organizing value added course on such an important topic. In his address he also focused on the need of conducting this kind of courses to develop research interest among young researchers. He also wished the students for their best performance during the course and future as well. The coordinator of the course Dr. G Nag Bhargavi, Co-ordinator of IQAC and Assistant prof. Department of Physics introduced the session with the objectives and theme of the course. She also gave a brief on the various topics to be covered and the resource persons who will join and train the participants. She also made aware with the assessment process of the course. In the end Dr. Nidhi Dewangan, Co-ordinator of the course and Assistant Professor of Mathematics gave vote of thanks. This course was run by IQAC in association with Department of Physics and Mathematics.

In the very first day on 12.07.2022 there was a keynote address delivered by Prof. Kher. Dr. Kher in his address told the students about importance of research for the development of Science and Technology. He also explained how the development of a country depends on the high-quality research done by research groups. He explained by using some real time examples like the Pandemic situation faced by the globe during last few years. In his talk he used the terms like hypotheses, research design, data collection, plagiarism and indexing etc. He summarized all the five units in his talk.

Inaugural session and keynote address by Prof. R S Kher

20/07/2022

On 20th July 2022, Dr. Anjali Oudhia, Professor and Head, Department of Physics, Govt. Nagarjuna PG College of Science delivered a talk on unit II of the syllabus. She discussed the research problem, how to raise research questions, how to draw hypothesis, what is null hypothesis. She gave some projects to the students on designing research problem and drawing hypothesis.

Prof Anjali Oudhia addressing the students about Research Problem and Hypothesis

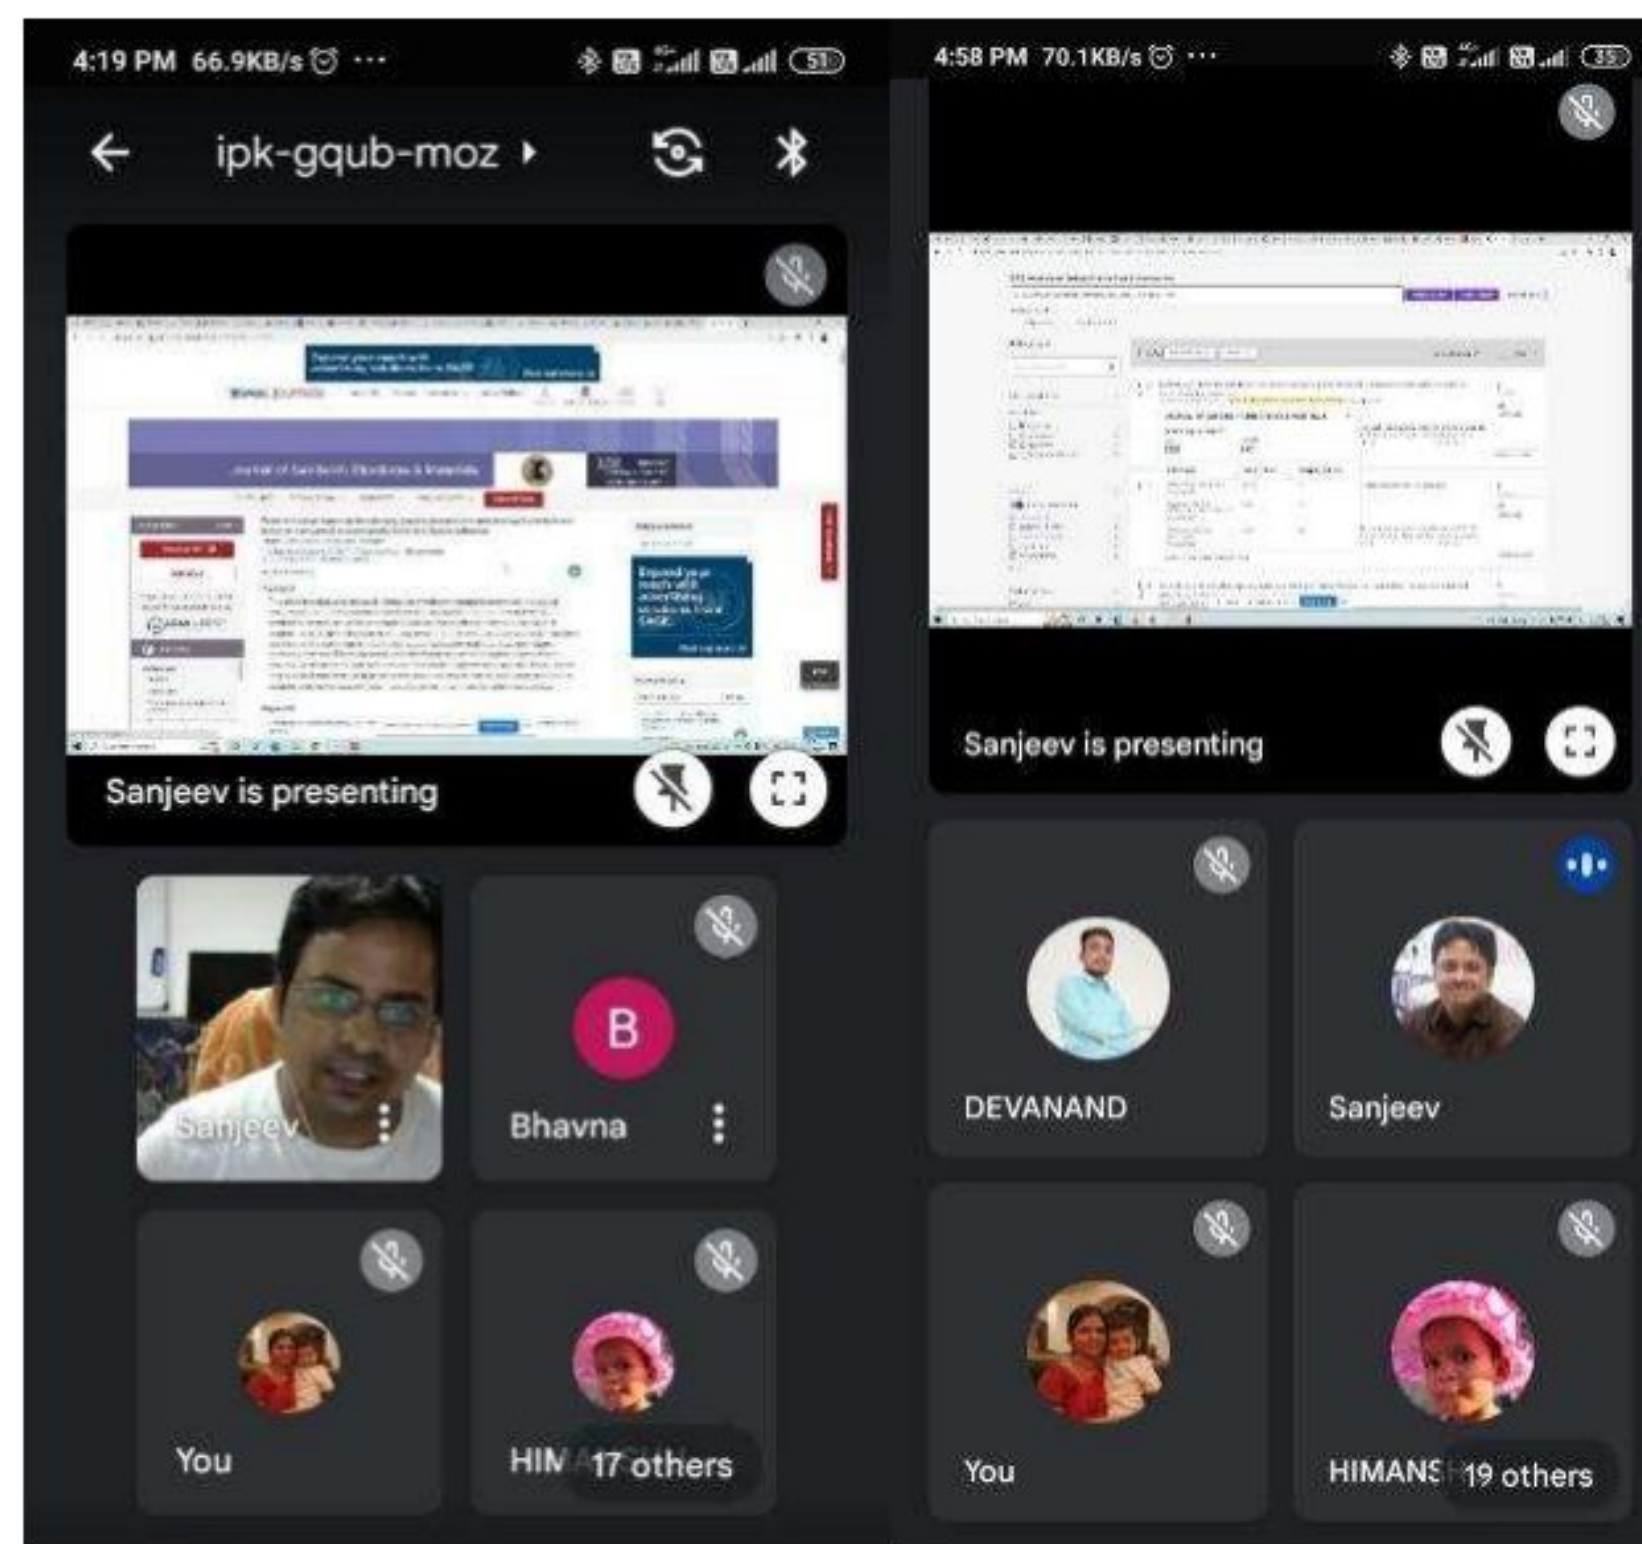

08/08/2022 and 09/08/2022

Dr. Rashmi Kujur, Assistant Professor, Department of Sociology discussed about Research Design, different research designs, sampling, steps in sampling design, different types of sample designs.

16/08/2022

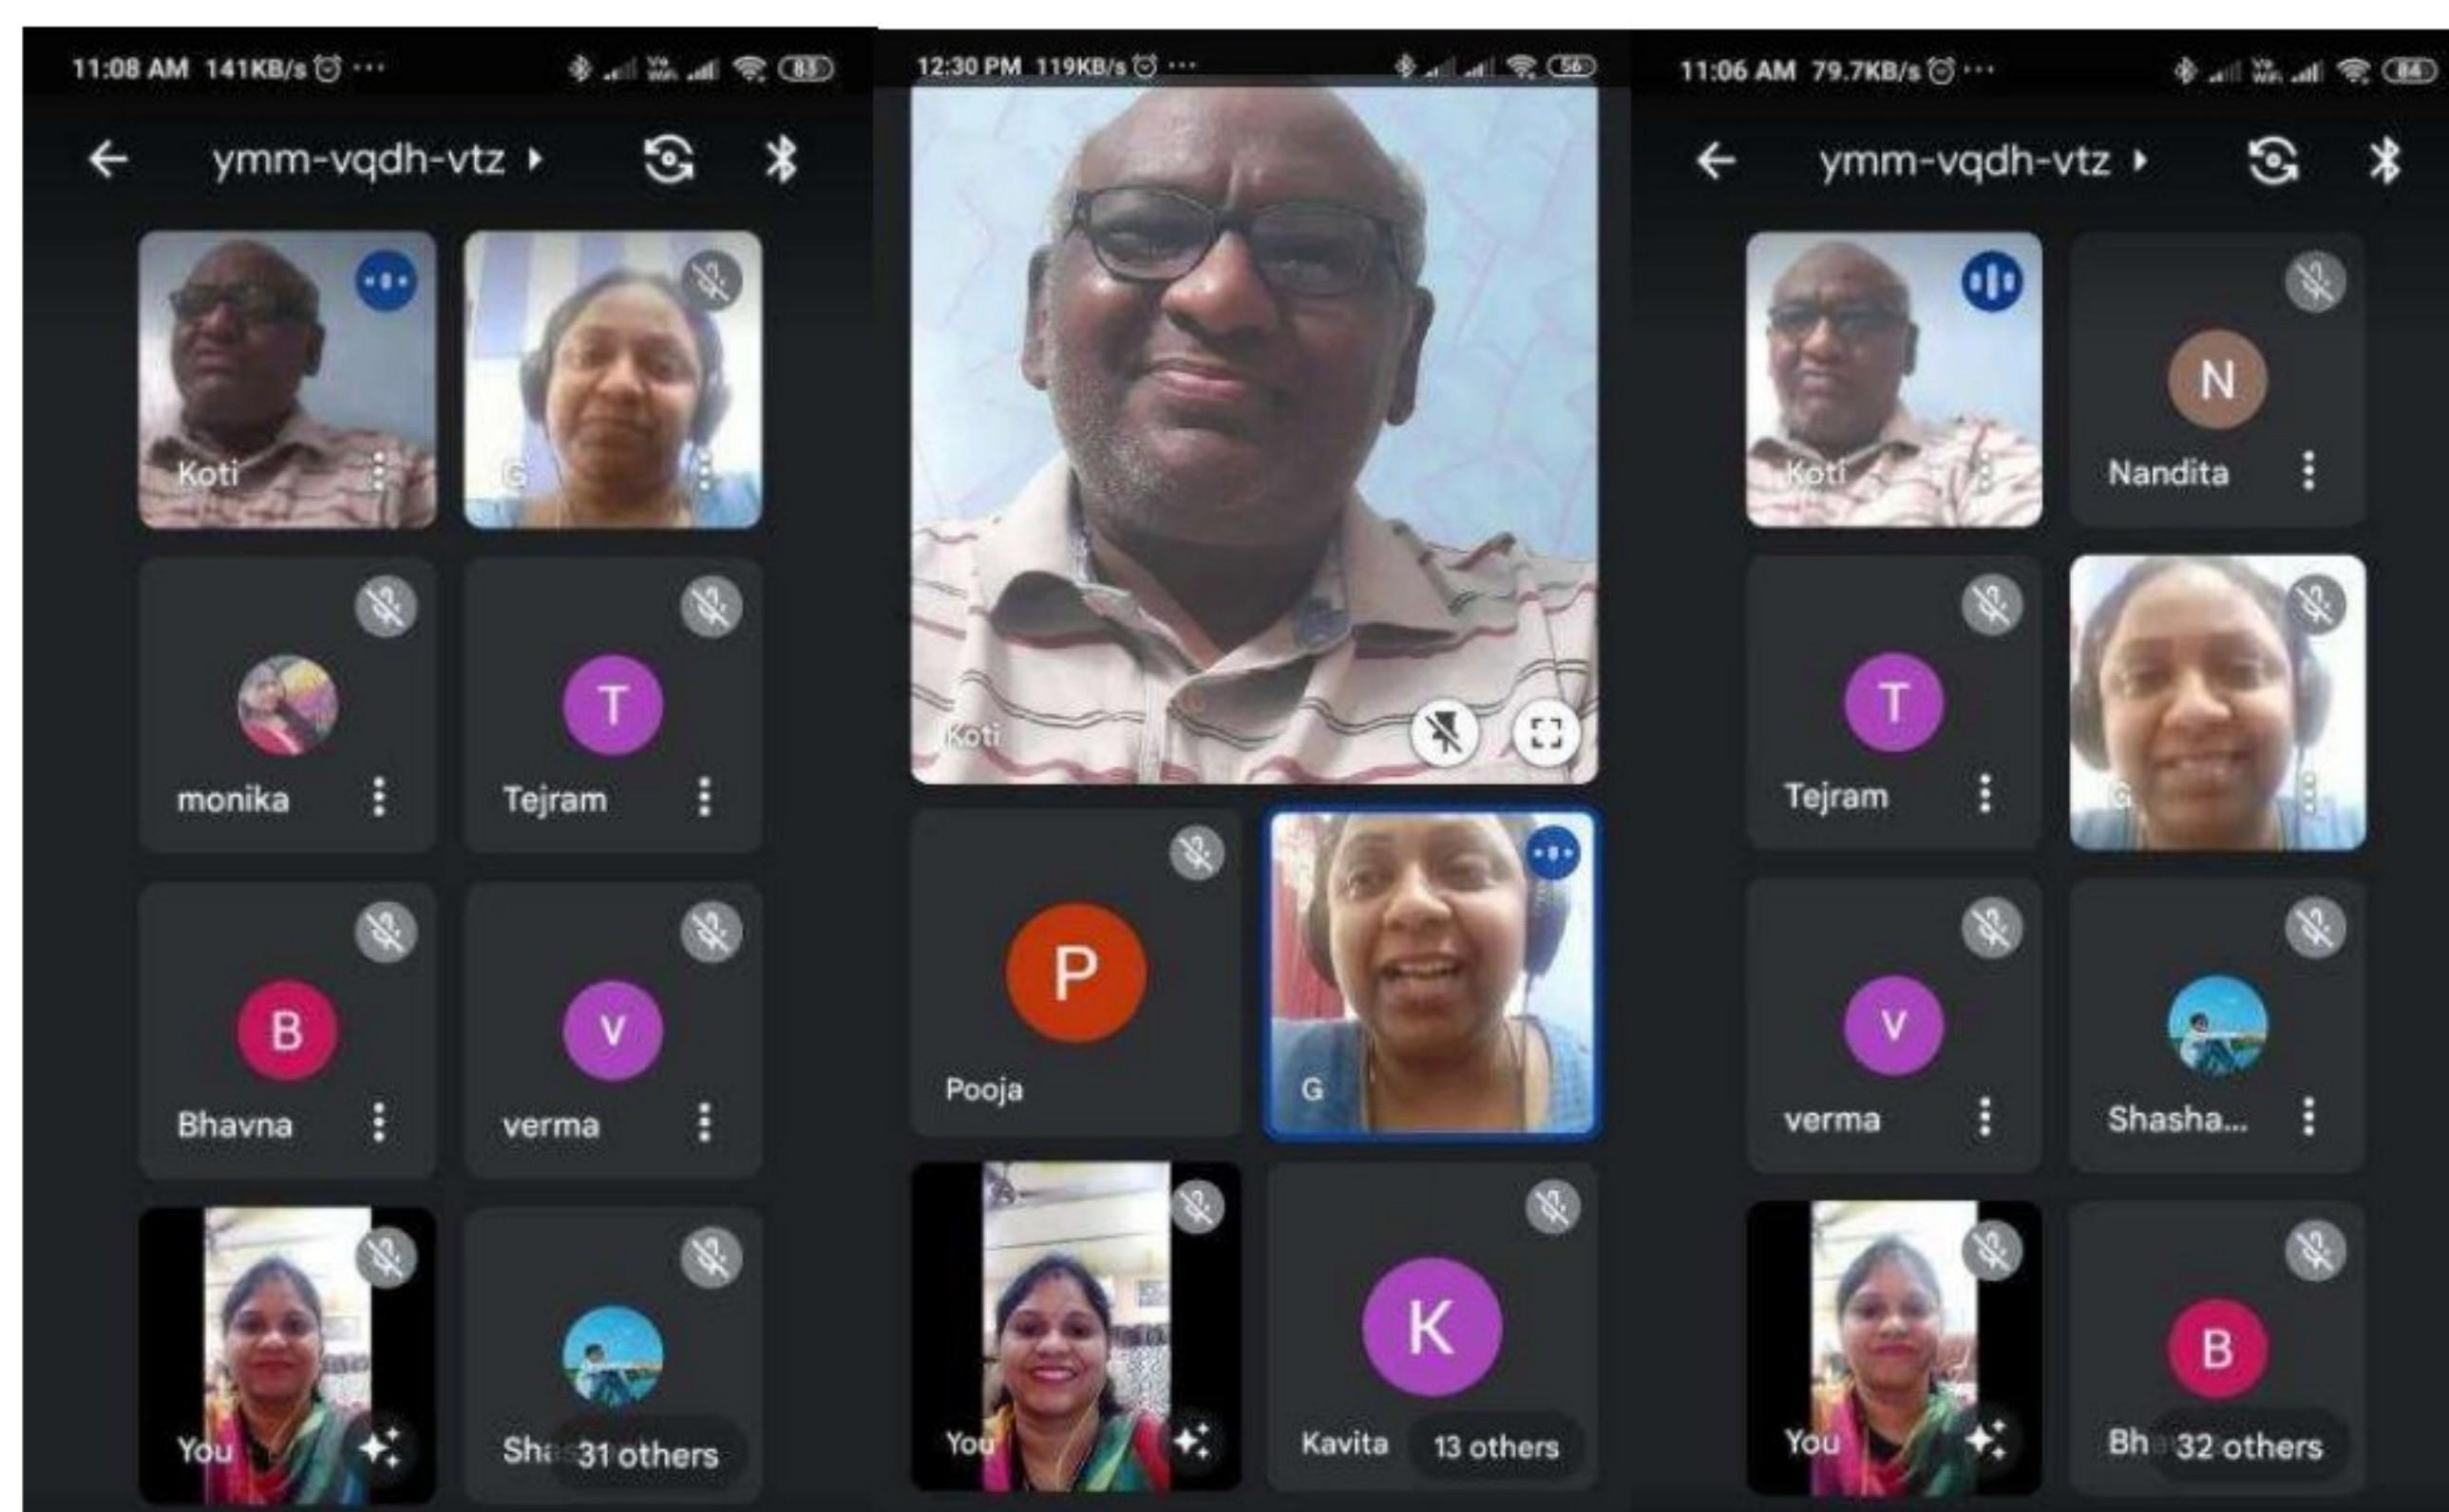

On 16 August 2022 prof. Sanjeev Anand Sahu, Department of Mathematics, IIT ISM Dhanbad delivered a talk on research ethics. During his talk he focused on what is plagiarism, how to check plagiarism and get similarity index using Turnitin software, how to reduce plagiarism etc.

Prof. Sanjeev Anand Sahu addressing the students about Plagiarism and use of Plagiarism software

19/08/2022

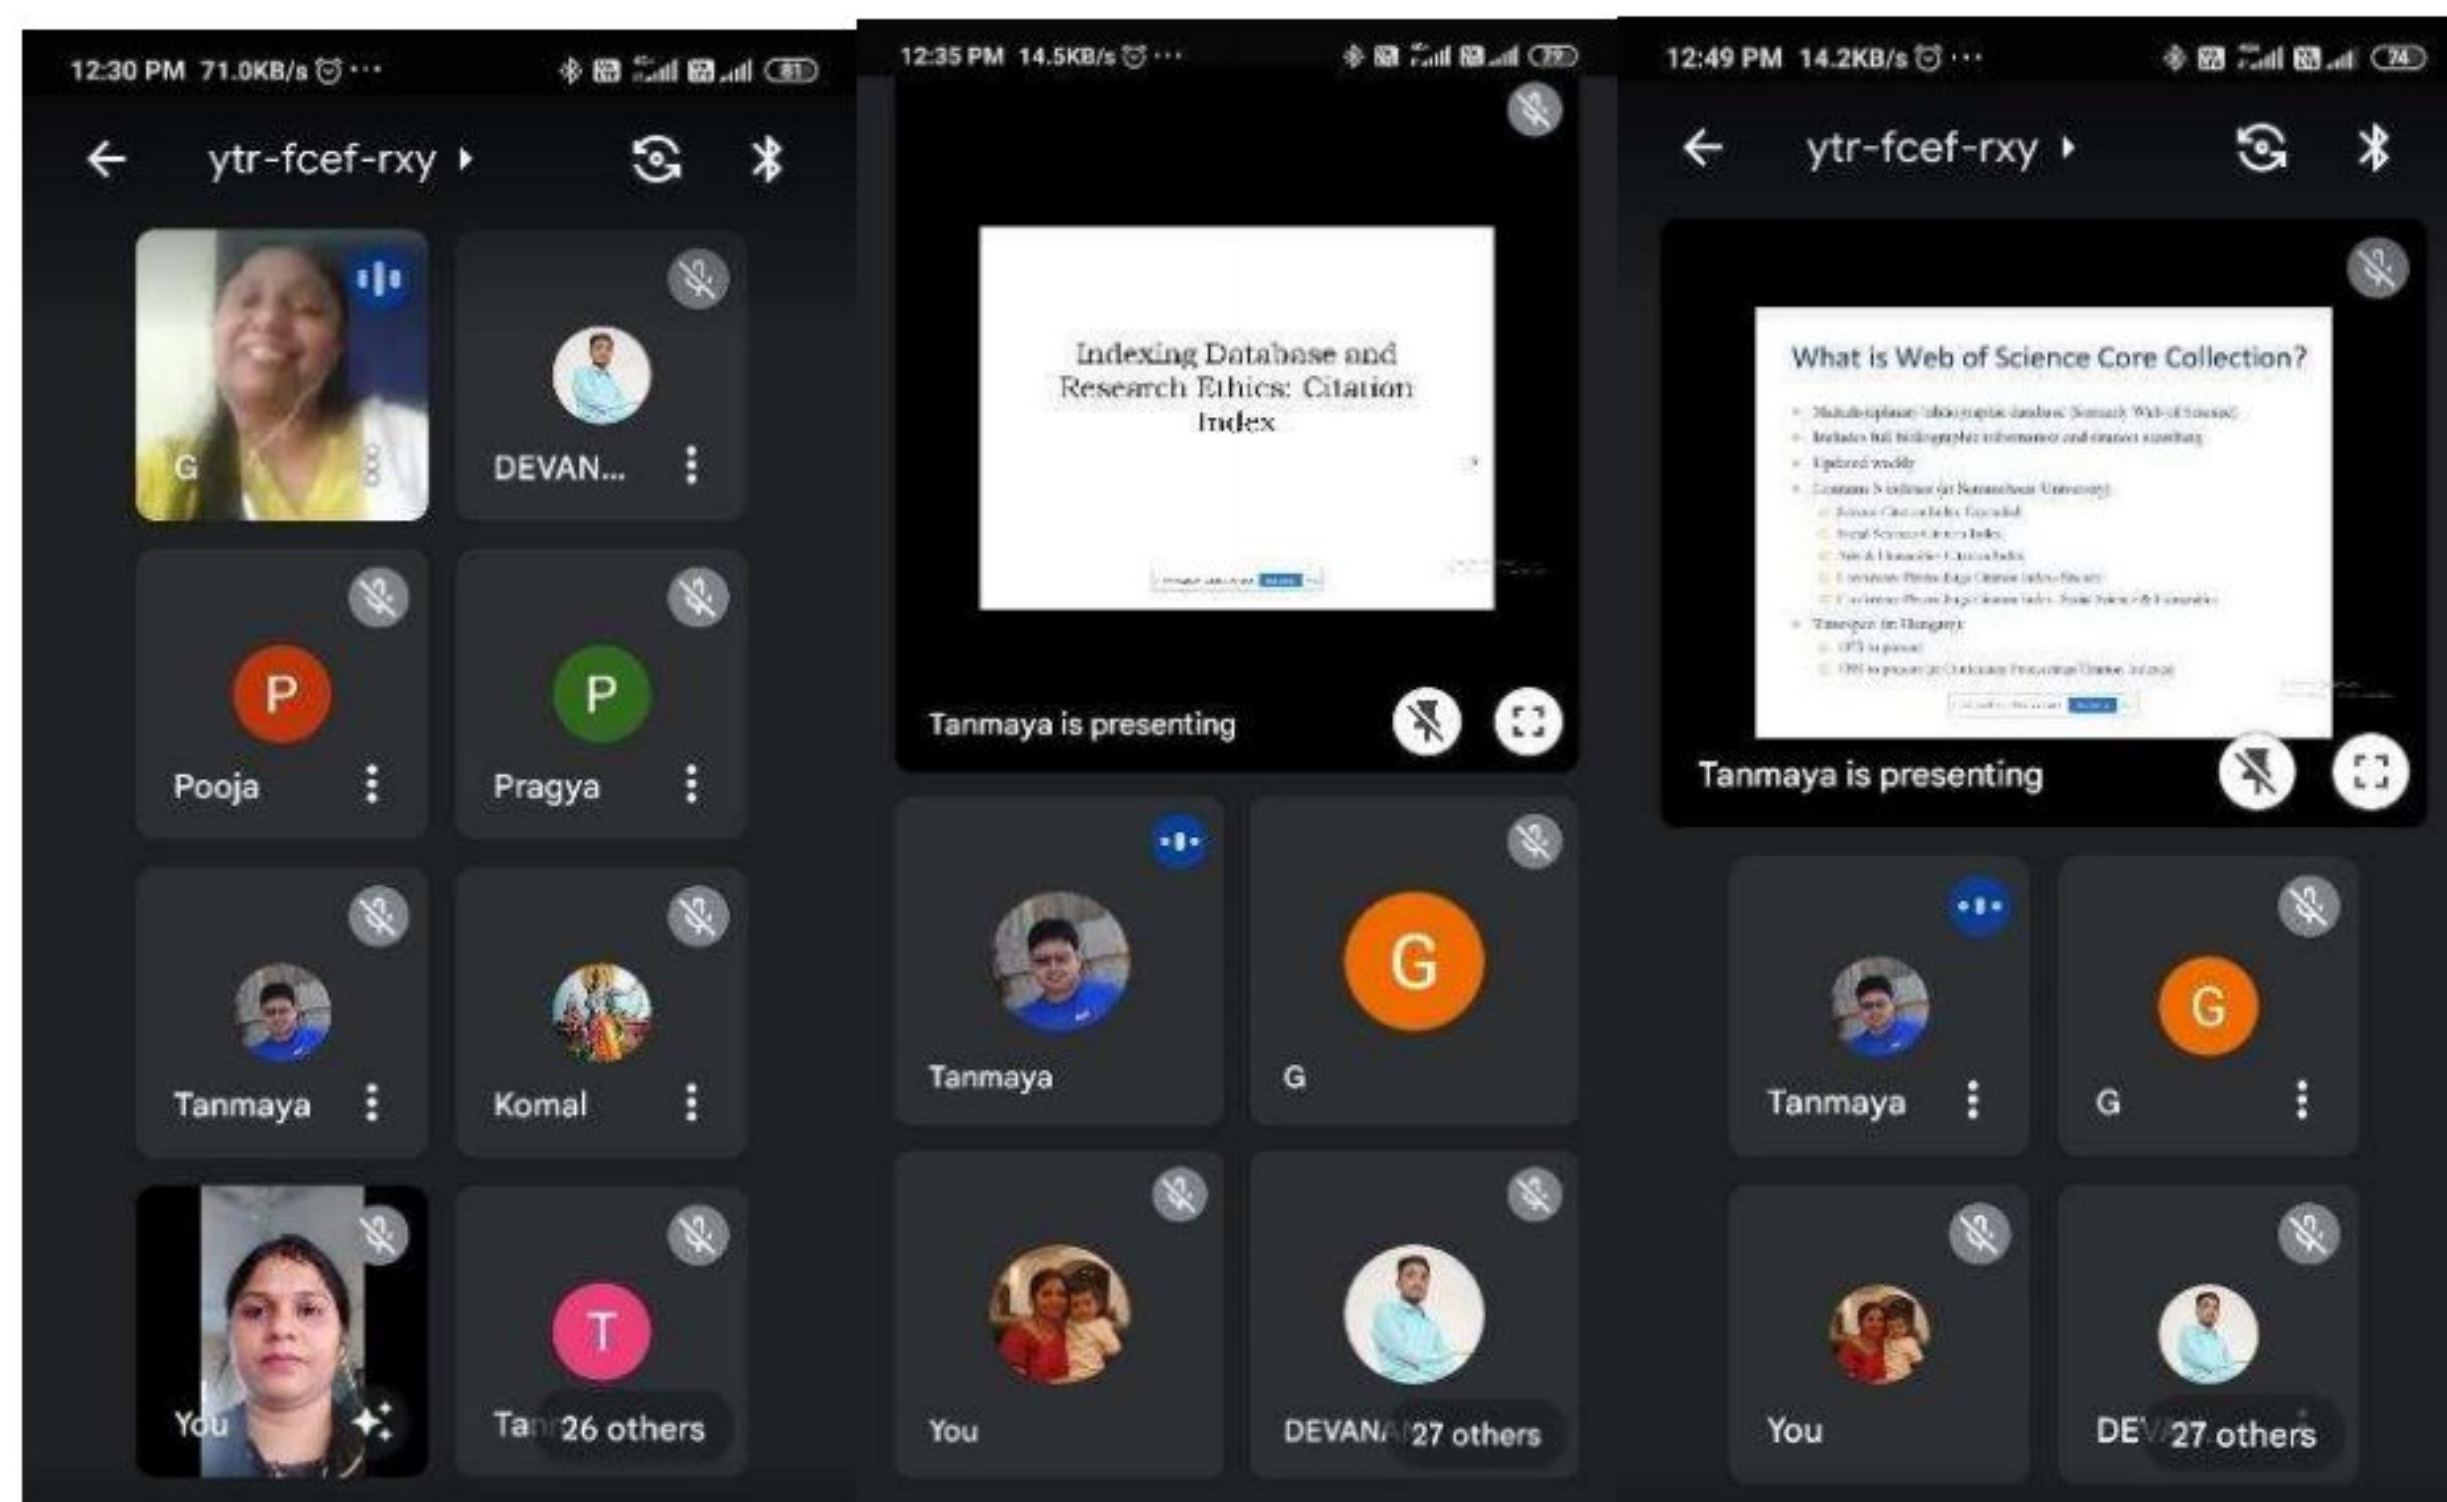

On 19 August, Prof. K N V V V Prasad, from Department of Mathematics, Guru Ghasidas Central university Bilaspur, delivered a talk on data collection. Methods of collection of primary and secondary data. Analysis of data using Chi-square test.

Prof. K N V V V Prasad addressing the students about Data collection and analysis

20/08/2022

On 20 August 2022, Dr. Tanmaya Badapanda, Associate Professor, C V Raman Global University, Bhubaneswar discussed on citations, indexing, h-index, i-10 index and impact factor.

Prof. Tanmaya Badapanda addressing the students about citation index and impact factor

Time Table of Assessment

S.N.	Date	Assessment type	Time
1	07/09/2022	Seminar	03:00 PM – 05:00 PM
2	08/09/2022	Seminar	03:00 PM – 05:00 PM
3	09/09/2022	Practical Exam	03:00 PM – 05:00 PM
4	10/09/2022	Theory (MCQ)	10:00 AM
5	10/09/2022	Theory (Written)	03:00 PM – 05:00 PM

Assessment of Value-Added Course on “Research Methodology”

1. **Project Work**-Write a review article in your concerning subject (Mathematics/Physics/Botany).
The article should contain- (10 Marks)

1. Abstract
2. Introduction
3. Methodology/Formulation
4. Result and Discussion
5. Concluding remarks
6. Future Aspects
7. References (in APA style)

2. **Seminar** on the topic submitted in the project work. (10 Marks)

3. **Practical** (30 Marks)

Performing the practical- 20 Marks

Viva-voce - 5 Marks

Sessional - 5 Marks

4. Theory –

Objective
Subjective

- 25 Marks (Through Google Forms)
- 25 Marks

(50 Marks)

Short description: -

Research and Development (R & D) plays a vital role in the overall progress of a country. The quality of research in the field of science and technology help in progressive growth of society in all the aspects. Research either in experimental and theoretical form is always appreciated, because without the support of theoretical research it is very difficult to achieve the goals within the stipulated time. A research methodology gives validity to the research and also provides scientifically sound findings. It also provides a detailed plan that helps to keep researchers on track, making the process smooth, effective and manageable. The findings of research need acceptability before its practical application in the industry or society. Focus of the course is to equip the students with fundamentals of research methodology. The objective is to make students aware of research ethics that must be followed while pursuing research work.

Learning outcomes

At the end of this course, the students will be able to-

1. Formulation of research problem
2. Understand literature review
3. Analyse research related information
4. Understand various tools useful for research work.
5. Understand research ethics while doing research work.
6. Understand indexing and referencing style
