16th -21st May 2022

Jointly Organizing by : Dept. of Physics, Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur & Dept. of Physics, C V Raman Global University, Bhubaneshwar

About the Workshop

The workshop will mainly focus on the fundamental aspects and latest developments in the field of characterization tools for materials research. It aims to provide the in-depth understanding about the fundamental knowledge and technical aspects to various characterization tools and how these techniques can be employed to have a better understanding in probing materials behavior and their structure property correlation. This workshop will be much beneficial to faculty members young researchers students and working professionals in the field of material science and also to other allied disciplines to disseminate knowledge about the various applied characterization tools.

Subject:- Regarding a training and interactive session on "Sustainable Menstrual practices".

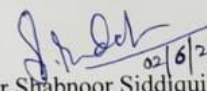

Dear madam,

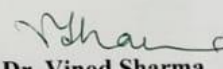

We are pleased to inform you that women development cell and Internal Quality Assurance Cell of our college are planning to organize a training cum interactive session for girls with your collaboration. As discussed earlier, we also admire and appreciate the distribution of sanitary kits to our students. In this regard we have to mention here that:

1. The session will be termed as "Sustainable Menstrual practices"
2. The program will be conducted on 9th of June 2021 as we are engaged with some other program on 8th.
3. The program will be conducted through Google Meet platform for which the link will be provided by us a day prior to the program.
4. Duration of program will be 1 to 1 and half hour commencing at 12 noon.
5. List of students (near about 100) with name and contact number will be provided.
6. Address for delivery with the contact details of the concerning person will be provided.
7. The photographs related to the session as well as distribution of sanitary kits will be mailed after the program

With regards.

Dear Madam,

As you are aware that the Department of Physics, NIT Raipur has recently organized 2nd National Conference on Advanced Materials and Applications (NCAMA-2020) during December 28-29, 2020. A total of 40 deliberations were made during this event and some of the selected papers will be published in IOP Conference Series: Materials Science and Engg. after review. As an expert of this field, you are requested to kindly review the attached papers and submit your reports latest by January 3, 2021.

Kindly give your consent.

Thank you.

Dear Dr. Bhargavi:

Manuscript ID JSS-101901.R1 entitled "Investigation of electromechanical, piezoelectric, and ferroelectric properties of Ba(Zr_{0.05}Ti_{0.95})O₃ ceramic" with Dr. Badapanda as contact author has been submitted to the ECS Journal of Solid State Science and Technology.

I have received a revised version of the manuscript referenced above, which you previously provided comments on. I would appreciate a brief review of this revision to confirm that your concerns have been addressed appropriately.

Please let me know as soon as possible if you will be able to accept my invitation to review this revision. Please click the appropriate link at the bottom of the page to automatically register your reply with our online manuscript submission and review system.

If you accept my invitation to review this manuscript, you will be notified via e-mail about how to access ScholarOne Manuscripts, our online manuscript submission and review system. You will then have access to the manuscript and reviewer instructions in your Reviewer Center via the site link below.
