The Clean and Green Campus Policy

The Green Campus Policy of the college visualizes a Clean and Green Campus where environment friendly practices and education combine to promote sustainable and ecofriendly practices in campus and off campus area. Since our college is situated in the industrial area, so the policy offers the institution an opportunity to take lead role in redefining its environmental culture through inculcating environmental ethics among the students and staff.

Mission

To create environmental consciousness among the society and actively involve in the activities to protect the planet earth for a sustainable, pollution-free and healthy life ahead.

Objectives

- To sensitize the students and the staff to minimize the use of polluting products and use environment-friendly products and services.
- To instill the importance of cleanliness for a healthy life.
- To Create awareness about environmental issues by organizing Events, Rallies, Awareness Campaigns, Cleanliness Drives, Seminars, Workshops, presentations, Tree Plantation Drives, Rangoli Competitions, Essay Competitions, Excursions, educational Tours, Guest Lectures, Talks, etc.
- To make students and staff aware about raising voice against the hazardous practices destroying Nature and promote environment friendly practices among the society.

Responsibilities

The primary responsibility of implementation of Green Policy will rests on the Science Club, Eco Club, NSS Unit, community club with the help of all stakeholders of the college. The Green Policy will be monitored by a committee subject to approval of the appropriate authority.

Committee

The committee consists of the following: -
