MEMORANDUM OF UNDERSTANDING

Between

Principal

Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur, Chhattisgarh- 493221

And

Dr. TanmayaBadapanda

Associate Professor, Department of Physics

C V Raman Global University, Bhubaneswar, Odisha-752054

On

Research Collaboration

This Memorandum of Understanding (MOU) is signed between "Principal, Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur, Chhattisgarh and Dr. TanmayaBadapanda, Associate Professor, Department of Physics, C V Raman Global University, Bhubaneswar, Odisha are each a party and together are referred to as the "parties".

10 JAN 2023

Purpose

The purpose of this MOU is to state the intentions of the parties in understanding a collaboration in the research and development of the researcher in the field of Experimental Condensed Matter Physics. The parties have common scientific and research interests and will co-operate in performing the activities stated below.

Types of Co-operative activities

The scope of collaboration on research activities to be pursued through this MOU includes the following

1. Research collaboration in the areas of mutual interest.
2. Exchange of academic materials which are made available by both parties.
3. Exchange of visiting research scholars/PG students.
4. Cooperative symposia, seminar, workshop and conferences.

Funding

The Parties intend to support the specific research activities stated above. The payment terms and schedule will be stated in a later, formal agreement. Until the Parties enter into a formal agreement each party will bear its own costs.

MOU is Non-binding

This MOU is not intended by the Parties to be legally binding. Any binding obligations will be the subject of later, definitive agreements negotiated between the Parties. Nothing in this MOU is intended to create a legal partnership or joint venture or is intended to create any new academic programs.

Publicity of use of Names and Trademarks

10 JAN 2023

Nothing in this MOU authorizes a Party to use the name of other Party or its employees in any advertisement, press release, or publicity with reference to this MOU or any product or service resulting from activities contemplated by this MOU, without prior written approval of an authorized representative of the other party.

Validity

This MOU is effective from the date when both Parties have signed it (i.e. January 2023 to December 2025). This MOU shall remain in force for a period of three (3) years from the effective date. Either party may terminate the MOU by providing at 30 days advance written notice to the other party. Termination or expiration of this MOU does not automatically terminate any separate agreement between the Parties related to the subject matter of this MOU. The MOU may be amended or extended by mutual consent in writing signed by authorized representatives of the Parties.

1. Each party is liable for its own acts and omission under this MOU, which, for the prevention of doubt, does not include any liability based on the acts and omissions of a third party.
2. Confidential information shall be exchanged only under the terms of a separate agreement, whether a non-disclosure agreement, sponsored research agreement, material transfer agreement or data use agreement. No confidential information shall be disclosed pursuant to this MOU.

Notices

Each Party must provide all required notices under this MOU in writing to the addresses set forth below or such other addresses designated by the receiving Party.

Final Report

Virtual workshop on “Advanced Characterization Tools: Fundamentals and Applications”

16th – 21st May 2022

**Jointly organized by-
Dept. of Physics, Pt. Shyamacharan Shukla College Dharsiwa, Raipur
&
Dept. of Physics, C V Raman Global University, Bhubaneswar**

Department of Physics in association with C V Raman Global University Bhubaneswar has organized a Virtual work on “Advanced Characterization Tools: Fundamentals and Applications” during 16th-21st May 2022. The program was conducted virtually (online) through Google Meet. The program was scheduled for six days starting from 16th May and ending on 21st May 2022. In the inaugural functional the Chief guest was honorable Dr. Ayush Khare, Associate Professor, National institute of Technology, Raipur (CG) and presided by respected principal Prof. Shabnoor Siddiqui. The inaugural function was started at 12:00 noon by worshipping goddess Saraswati, followed by the welcome address by principal Prof. Shabnoor Siddiqui. Chief guest Dr. Khare congratulated the principal and staff of department of Physics and faculty of science for organizing the workshop. Convenor of the workshop Dr. G Nag Bhargavi, Assistant prof. department of Physics introduced the sessions with the outline of the workshop. She also gave a brief account of the various topics to be covered during these six days and the subject experts who will address the sessions. The co-convenor Dr. Tanmaya Badapanda explained the theme and objectives of the workshop and the relevance to the present-day scenario. In the end of the inaugural session Shri Kaushal Kishore, head department of Botany gave vote of thanks to the chief guest, eminent speakers, academicians and research scholars for participating in this workshop. In this workshop total 125 participants have registered all over the map from different states, universities and colleges.

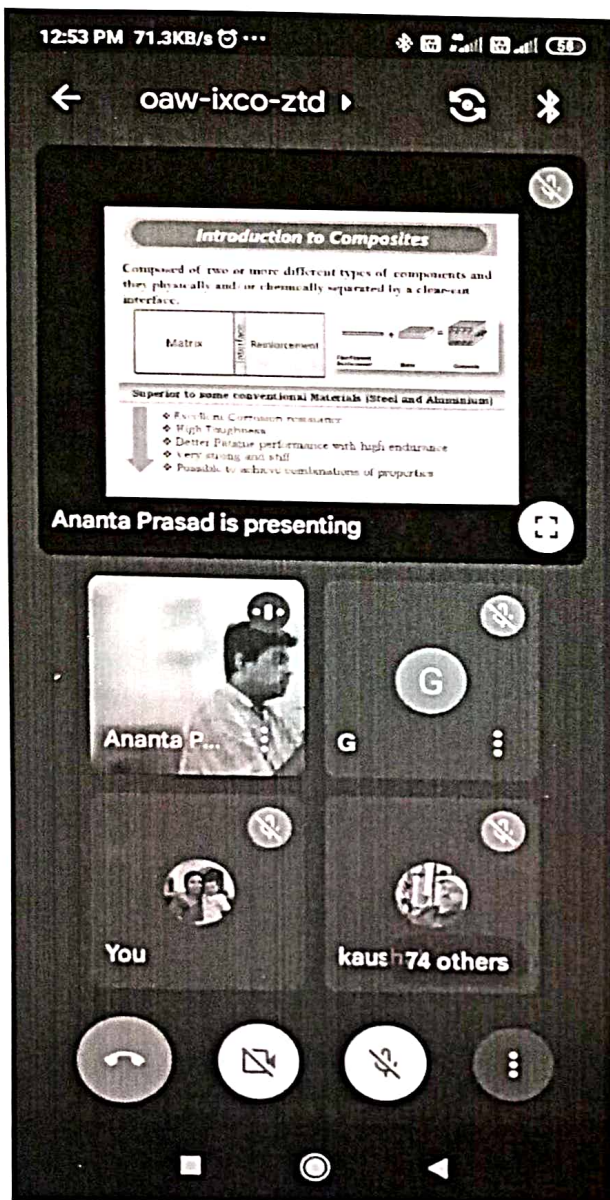

Technical Session 1 (16.05.2022)

(12:30-2:00 PM)

In the first technical session there was an invited talk on “Characterization techniques involved for FRP composite exposed to various stringent exposing environments” delivered by Dr. Ananta Prasad Chakraverty, Gangadhar Meher University, Sambalpur, Odisha. He started his talk with a basic information about composite materials and its applications in different fields of science and technology also in our daily life. He lucidly explained about fibre reinforced polymer composite (FRP) and different tools/techniques used to characterize and study the properties of FRP. He also used results obtained from his research work to explain the properties of FRP. In the end few of the scholars asked some of their queries which was explained by Dr. Chakraverty. Dr. G Nag Bhargavi Gave vote of thanks to the speaker.

Bhargavi

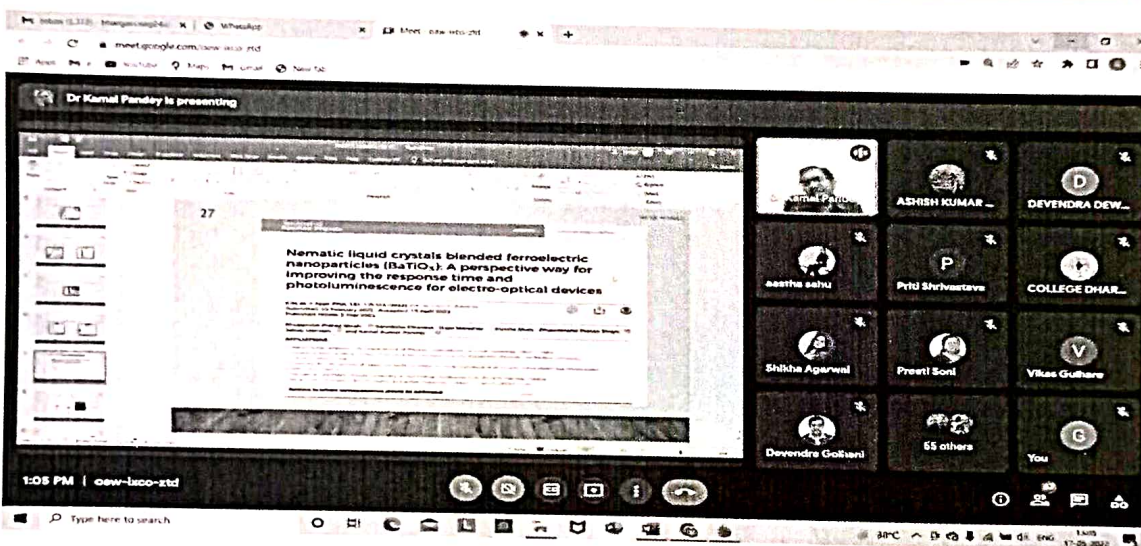

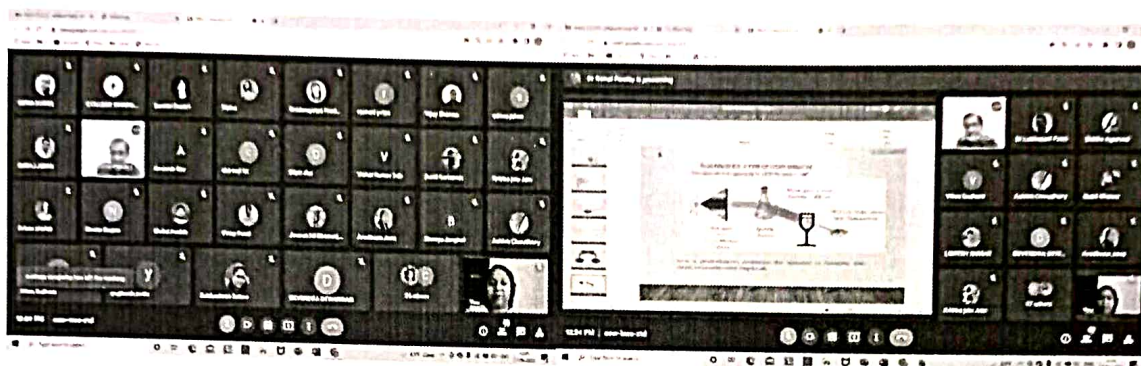

Technical Session 2 (17.05.2022)

(12:00-1:30 PM)

On the second day of workshop another interesting talk on “**Photoluminescence- basics and applications**” was delivered by the subject expert Dr. Kamal Kumar Pandey, Assistant Professor, department of Physics, Sri jai Narayan Mishra PG College Lucknow (KKC), An Associate college of University of Lucknow. In the beginning convenor Dr. G Nag Bhargavi welcomed the resource person and gave a brief introduction of him to the session. Dr. Pandey has elaborately explained the basic physics involved in the process of luminescence. He used the famous Jablonski diagram to explain the basic phenomena of photoluminescence. He used different examples from real time and demonstrated the process of analyzing data. He also explained the instrumentation technique involved in the process of photoluminescence. Dr.

Shargavi

Pandey patiently answered all the questions raised by the participants. In the end Dr. Bhargavi gave vote of thanks to the speaker and participants.

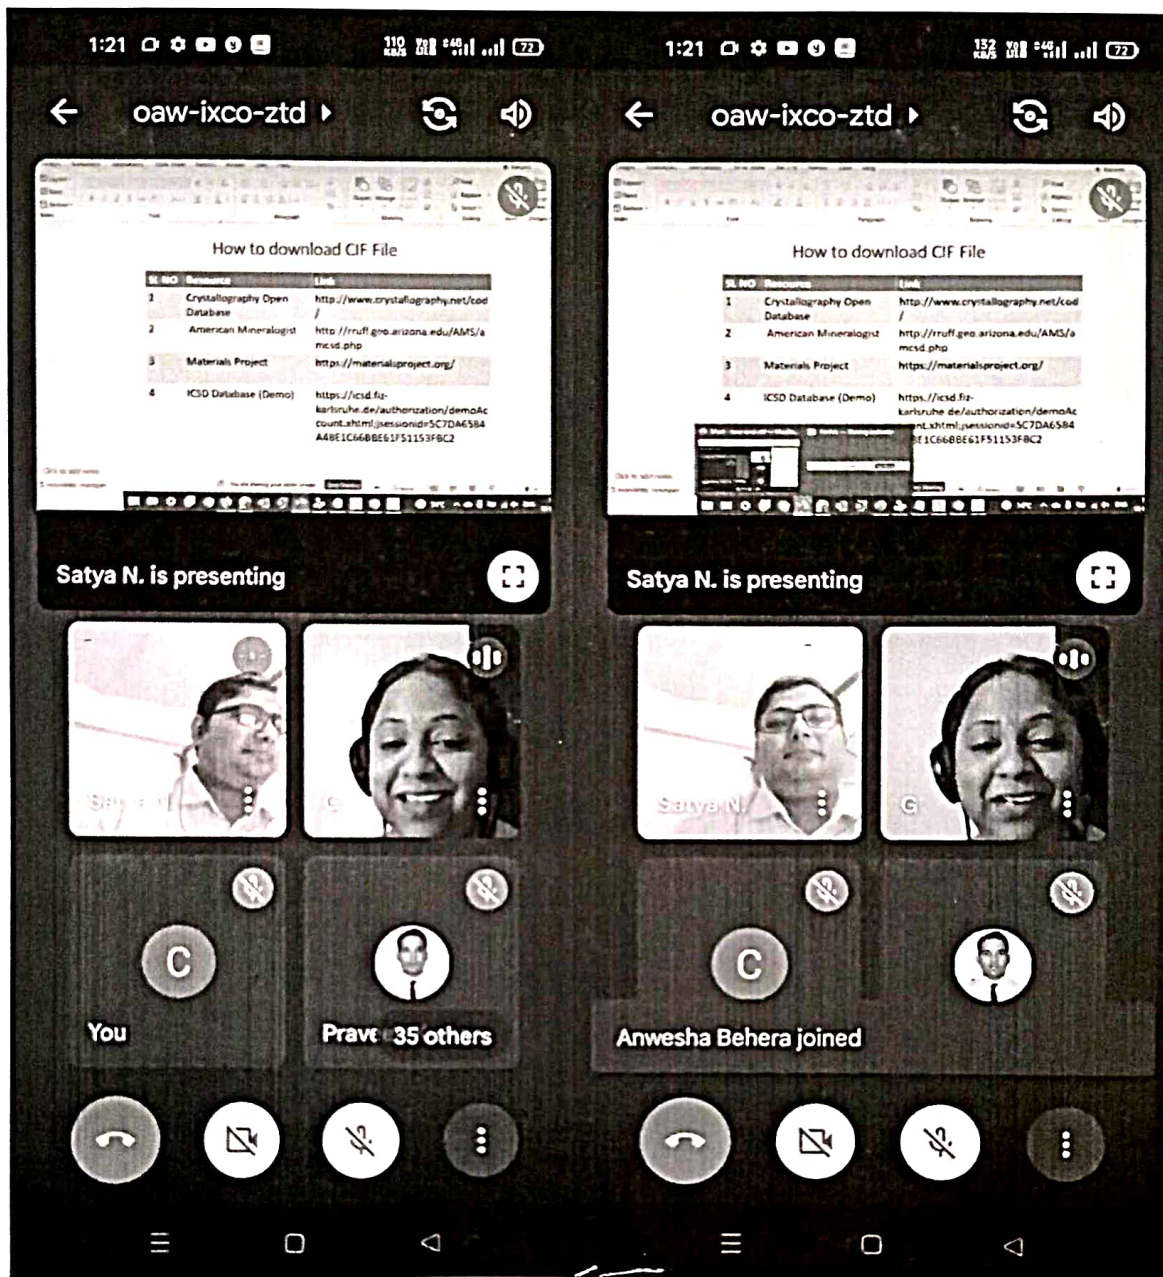

Technical Session 3 (18.05.2022)

(12:00-1:30 PM)

On the third day of the workshop the invited talk was delivered on "X-ray Diffraction" was by subject expert Dr. Satya Narayan Tripathy, Assistant Professor, Department of Physics, Sri Sri Sri University, Cuttack Odisha. The program was started at 12 noon, in the beginning convenor Dr. G Nag Bhargavi welcomed the resource person and gave a brief introduction of him to the session. Dr. Tripathy started with fundamentals of X-ray diffraction. Then he explained the rietveld refinement process of X-ray data. He practically explained the process of rietveld refinement using various softwares. He explained the process using examples from different class of solid samples. His talk was classified in two groups (i) crystal structure determination and (ii) microstructural studies. He also answered the queries asked by the participants. In the end Dr. Bhargavi gave vote of thanks to the speaker and participants.

Bhargavi

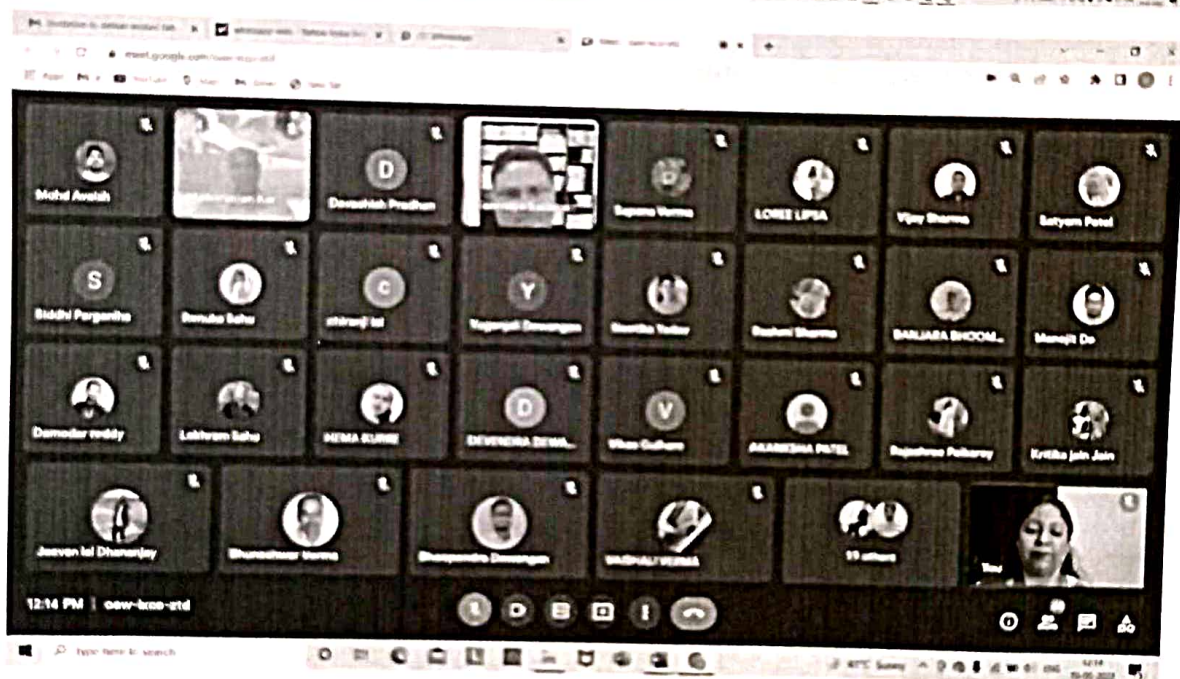

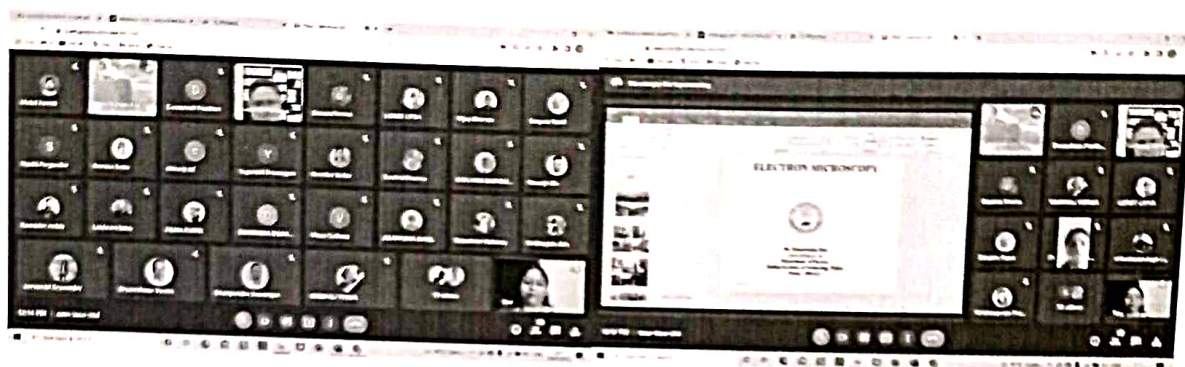

Technical Session 4 (19.05.2022)

(12:00-1:30 PM)

The fourth technical session was started on 19.05.2022 at 12 Noon. The convenor Dr. G Nag Bhargavi welcomed the resource person Dr. Manoranjan Kar, Associate Professor, Department of Physics, Indian Institute of Technology, Patna. She also welcomed all the participants (Academics, Teachers, Research scholars, Students). Before his talk a brief introduction was given to the audience. Dr. Kar delivered a talk on "Electron Microscopy" a very important tool for materials characterization. In his talk he started with very fundamental concept of Classical and Quantum Mechanics and explained the role of Quantum mechanics in understanding the physics behind electron microscopy. He elaborated the different types of electron microscopy like Scanning Electron Microscopy and Transmission Electron Microscopy. He explained the

Bhargavi

basic phenomena involved in obtaining the micrographs of samples and described the instrumentation technique. He also talked about the range of optical microscopy and the technological limitations in capturing the micrographs of samples. After the talk Dr. Tanmaya Badapanda, (Co-convenor) gave vote of thanks to the participants.

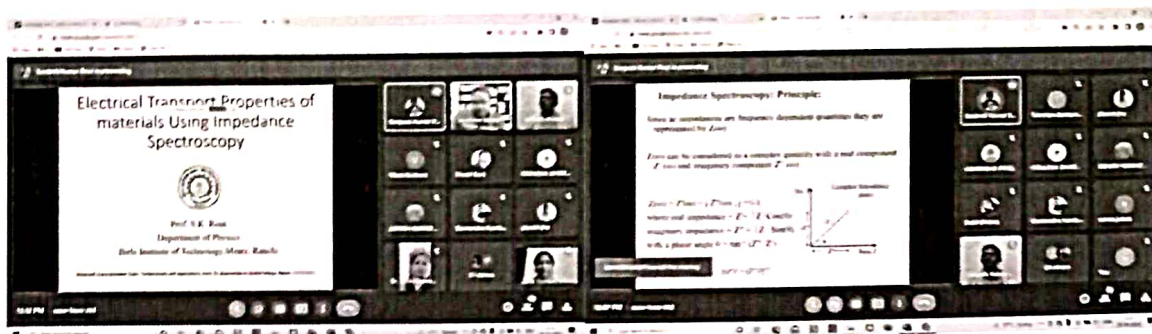

Technical Session 5 (20.05.2022)

(12:00-1:30 PM)

The fifth technical session was started on 20.05.2022 at 12 Noon. The convenor Dr. G Nag Bhargavi welcomed the resource person Dr. S K Rout, Professor, Department of Physics, Birla Institute of Technology, Mesra. She also welcomed all the participants (Academicians, Teachers, Research scholars, Students). Before his talk a brief introduction of him was given to the audience by the Co-convenor Dr. Tanmaya Badapanda. Dr. Rout started his talk with the basic information on impedance consisting of resistance, capacitance and inductance. He discussed the fundamental Ohm's law and difference between direct and alternating currents. He explained in detail that why Impedance spectroscopy is used for electrical characterization. He also discussed about how to analyze impedance data and obtain various parameters like

Bhargavi

grains, grain boundaries and also about modeling of impedance spectroscopy plots. In the end Dr. Tanmaya Badapanda gave vote of thanks to the speaker and other participants.

Technical Session 6 (21.05.2022) And valedictory function

(12:00-2:00 PM)

The sixth technical session was started on 21.05.2022 at 12 Noon. The convenor Dr. G Nag Bhargavi welcomed the resource person Dr. Ayush Khare, Associate Professor, Department of Physics, National Institute of Technology, Raipur. She also welcomed all the participants (Academicians, Teachers, Research scholars, Students). Before his talk a brief introduction of him was given to the audience by the convenor. Dr. Khare started his talk with the basic idea of bulk materials and thin films. He discussed the various thin film deposition techniques with its merits and demerits. He explained in detail the importance of UV visible and IR spectroscopy for finger printing. He explained the method of calculation of band gap and also explained tuning of band gap.

After his talk in the valedictory function respected principal madam Dr. Siddiqui addresses all the members present in the meeting. She congratulated the organizing committee for conducting such a nice academic event. Dr. G Nag Bhargavi presented the report of this six-days virtual workshop in brief. Dr. Ayush Khare and Dr. Ananta Prasad Chakraverty gave valuable suggestions to improve the eminence of the workshop. From the participants Dr. Preeti Soni and Devendra Golhani feedback on the workshop. In the end Dr. Tanmaya Badapanda gave vote of thanks to all the speakers who were present in all the six days as resource person for delivering such relevant and informative talks. He also thanks to all the participants and principal and members of organizing committee.

Bhargavi

**Virtual Workshop
On
“Advanced Characterization
Tools: Fundamentals & Applications”**

16th -21st May 2022

Jointly Organizing by : Dept. of Physics, Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur & Dept. of Physics, C V Raman Global University, Bhubaneshwar

About the Workshop

The workshop will mainly focus on the fundamental aspects and latest developments in the field of characterization tools for materials research. It aims to provide the induct understanding about the fundamental knowledge and technical aspects to various characterization tools and how these techniques can be employed to have a better understanding in probing materials behavior and their structure property correlation. This workshop will be much beneficial to faculty members young researchers students and working professionals in the field of material science and also to other allied disciplines to disseminate knowledge about the various applied characterization tools.

Registration Fee

- Faculty/ Scientists : Rs.100
- Research Scholars : Rs. 50
- Student : Rs. 50

Memorandum of Understanding

Between

Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur (C.G.)

and

Government College Arjunda, Balod (C.G.)

Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur (C.G.) is located at Koonra road, Dharsiwa, Raipur (C.G.) and Government College Arjunda, located at Matiya Road Arjunda, Block Gudhardhi, Dist Balod (C.G.) hereby agree to facilitate academic information exchange and cooperation between the two institutions.

Scope of Cooperation

- (1) Subject of mutual consent- Between the Department of Mathematics
- (2) Areas of cooperation- To exchange the teaching knowledge between the PG student.
- (3) Type of Cooperation-
 - (a) To join online/offline lectures of M.Sc. classes by students of both colleges.
 - (b) Sharing the Notes, e-books, study material and videos of lectures using social media and conducting test through online/offline mode through Google form and through Google Classroom.
 - (c) Exchanging ideas of Teaching, Experience and subject related information.
- (4) Aim of cooperation -
 - (a) To overcome lack of faculty members in both institution.
 - (b) To experience diversity in Teaching, Quality maintenance in Teaching, Optimum use of available resources, sharing the ideas of Teaching, Learning and Evaluation, etc.
 - (c) To overcome circumstances developed due to Covid-19 pandemic.
 - (d) Existing conditions of at least one of the above.
- (5) Tenure of MoU- Up to end of Semester (for the session 2020-21).

Online Classes under MoU

The screenshot shows a Microsoft Teams Classroom page. The left sidebar contains navigation options: Home, Calendar, Teaching, To review, and Archived classes. The main content area is titled 'M. Sc. I/II(2021-22)Arjunda Maths' and includes a 'Stream' tab, a class code 'jtr65fz', an announcement by Dr. Nidhi Dewangan about a new assignment, and an 'Upcoming' section indicating 'No work due soon'.

15 Students in Classroom

The screenshot shows the 'People' tab of the Microsoft Teams Classroom. It lists the teacher 'Dr. Nidhi Dewangan' and a group of 15 students. The students listed are Yogeshwari Deshmukh, Devshri Dewangan, and Leena Dewangan. The interface includes a search bar, navigation icons, and a taskbar at the bottom.

Cauchy goursat Theorem

statement - Let $f(z)$ be analytic function and single value within and on a simple closed contour C

then
$$\int_C f(z) dz = 0$$

Proof :- Required function

i) Analytic function $f(z)$ is said to be Analytic z_0 if \exists open disk D centered at z_0 such that f is differentiable at every point D .

Subject: Letter of Appreciation of Lecture

Respected Madam

Thank you very much for delivering an informative and thought providing lecture as guest speaker on “ Ramanujan Magic Square and some tricks of Vedic math’s “ on the occasion of National Mathematics day 2021 organized by Department of Mathematics held on 27th Dec. 2021 at our institute.

It was really splendid presentation which exposed to the field practice. All the students appreciated and got benefitted from your views on the subject.

Looking forward for your cooperation for the promotion of professional education in future as well.

Thank You

Sincerely

About the College

Government College Arjunda was established in the year 1988 to provide higher education to the rural students. It is approximately 30 km away from the Dist headquarter Balod. The college has its own campus with 10.2 acre land. The College was accredited by NAAC in 2015 with B grade. The college caters 3 under graduate programs (B.A/ B.Sc./ B.Com.) along with 5 post graduate programs (M.A Political Science, Economics, Sociology) M.Com. and M.Sc. Mathematics. In the academic session 2021-22 over 1700 students are enrolled in different program in our college. The college also run PGDCA course under self-finance scheme from current session.

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 18th day of Feb 2022 between **Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur** herein by its **Principal**, (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators, and assigns).

AND

CIPET: Institute of Petrochemicals Technology (IPT), Raipur herein by its **Director & Head**, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators, and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party'):

WHEREAS:

- A) *First Party*: **Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur**, an higher education institute established in 1989, by the government of Madhya Pradesh. The institute is affiliated to Pt. Ravishankar Shukla University, Raipur (CG) since 1989. The institute is recognized by University Grants Commission under section 2(f) and 12(B). The institute caters the needs of students by providing offering various programmes in Science, Humaities and Commerce alongwith professional diploma course on PGDCA. Few departments (Mathematics, political Science, Hindi, Physics, botany, Commerce) are running Post Garaduation programmes. The institute also enhance the overall personality of the students by facilitating them with NCC, NSS, Science club

AND

B) *Second Party*: **CIPET Institute of Petrochemicals Technology (IPT) Raipur**, hereinafter called as **CIPET: IPT, Raipur**, a premier National Institute under the aegis of Ministry of Chemical and Fertilizers, Govt. of India. CIPET: IPT, Raipur has been accredited with ISO 9001:2015 QMS, ISO/IEC - 17025, ISO/IEC - 17020 certifications established to cater to Academic programme & Diploma in Plastics Technology (DPT), Diploma in Plastics Mould Technology (DPMT), Post Graduate Diploma in Plastics Processing & Testing (PGD-PPT), B. Tech in Plastics Engineering & specialized Skill Development training Programme in the field of Plastics Engineering & Technology and rendering technical / consultancy services in the area of Design, Tooling, Plastics Processing, Testing & Quality assurance of Plastics material / Product for the benefit of Plastics & allied industries.

First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide enhanced opportunities to each of them.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution. The Parties shall keep each other informed about the potential opportunities and shall share all relevant educational information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of both parties providing significant inputs to them in developing suitable teaching/skill enhancement systems, keeping in mind the needs of the industry.

CLAUSE 2: SCOPE OF THE MoU

- 2.1 **Sharing of the facilities:** Parties agree to share their important R&D facilities by signing Non-Disclosure Agreement (NDA) of the generated intellectual property.
- 2.2 **Joint research projects:** Parties through their faculty/employees shall explore opportunities of undertaking joint research projects and may seek research funding from external agencies. Each such research proposal shall require the approval of the respective institutions.
- 2.3 **Skill Enhancement/Placement Assistance of Students:** Parties shall actively

engage in the delivery of the training need of students of both parties to bridge the skill gap and make them industry-oriented. Both the parties will also provide the necessary support and assistance for internships and placements of students. The necessary payment should be made by each party to the others on mutual understanding basis.

- 2.4 **Joint academic activities and events:** Parties may formulate joint academic activities such as short-term courses, training programmes, seminars, participation and access to workshops and conferences based on mutual interests and available expertise in both the institutions.
- 2.5 Parties to obtain all internal approvals, consents, permissions, of whatsoever nature required for offering the programmes on the terms specified herein.

CLAUSE 3: VALIDITY

- 3.1 This agreement is valid for initially for 3 years and becomes effective from the date it is signed by the parties. The partnership period may be extended by mutual consent. In case one partner wishes to terminate the MoU, intimation will have to be sent at least six months in advance. However, specific commitments made prior to such intimation shall be honored by both parties. This MoU will be identified as the parent document of any programme agreement executed between the parties. The scope of the activities under this memorandum will be determined jointly by both parties for the type of collaboration to be undertaken.

CLAUSE 4: RELATIONSHIP BETWEEN THE PARTIES

- 4.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MoU as an independent parties, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name or logo in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
- 4.2 **Intellectual Property:** This MoU seeks the sharing and spread of the intellectual properties (IP) generated through activities under this MoU on mutually agreed terms and conditions and subject to the current IP policies of each party or as defined in the collaborative projects and exchange

programmes. IP developed through this MoU shall be in the joint ownership of both the parties with scope to explore commercialization under mutually agreeable terms. Parties shall meet through designated representatives and seek an equitable and fair understanding to leverage the IP interest that may arise. Any such discussions will at all times strive to present a harmonious and continuing relationship between the parties. All the parties concerned with the activity under this MoU shall take reasonable steps to ensure compliance with Non-Disclosure Agreements (NDA) and other confidential agreements.

- 4.3 **Financing:** The host institute shall make local arrangements at reasonable costs for the exchange of students and faculty/employees. Travel costs shall be borne by the home institution of the visitor or as per the activity proposal. To encourage industry, connect, the parties shall strive for support from the industry as from the alumni to support such collaborations.
- 4.4 **Coordination and implementation:** A coordinating committee comprising their nominees at least two from each party would be responsible for the effective implementation of the MoU. The following coordination committee will coordinate the collaborative programmes between two parties.

1.	Coordinators from Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur	
	Dr. G Nag Bhargavi IQAC Co-ordinator Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur (CG) Email id: bhargavi.nag24@gmail.com Mobile No.: 9981373012	SHri Hemant Kumar Deshmukh Assistant professor Department of Chemistry Govt. Pt. Shyamacharan Shukla College, Dharsiwa, Raipur (CG) Email id: deshmukh.hemant2012@gmail.com Mobile No.: 9755065724
2.	Coordinators from CIPET: IPT Raipur	
	Shri B. P. Patro, Director & Head, CIPET-IPT, Raipur Email id: cipetraipur@gmail.com Mob: 09937291503	Dr. Vishal Verma Manager (Technical) CIPET-IPT, Raipur vishalv001@gmail.com Mob: 09730003953

- 4.5 **General term:** Any dispute or difference in the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the courts at Raipur, C.G. state.

REPORT OF ONE DAY WEBINAR ON “BEST CAREER OPPORTUNITIES AFTER GRADUATION IN SCIENCE”

14th May 2022

In Govt. Pt. Shyamacharan Shukla College, One day webinar on “Best Career Opportunities after graduation in science” has jointly organized by Science Club, Govt. Pt. Shyamacharan Shukla College, Dharsiwa and Central Institute of Plastic Engineering and Technology (CIPET), Raipur (C.G.) on 14th may 2022. On this day during the inaugural session of this webinar Principal of the institute Dr. Shabnoor Siddiqui mam gave best wishes to all the participants and members of science club in her welcome address. After the welcome address of principal, Shri Hemant Kumar Deshmukh (Convenor) presented the theme of the webinar and also introduced the guest speakers of the webinar. As a 1st speaker Shri Kaushal Kishore, Assistant professor and Head, Department of Botany, Govt. Pt. Shyamacharan Shukla College, Dharsiwa interacted with the participants and gave them proper guidance to move forward towards higher education and research. And also introduced about the job opportunities after the graduation in science. As a 2nd speaker Dr. Sushant Samal, Sr. Technical Officer/Assistant Professor, Central Institute of Plastic Engineering and Technology (CIPET), Raipur (C.G.) motivated the students for the job in the field of industries. He also explained the students about various courses offered by their institute. In the last vote of thanks was given by Dr. G. Nag Bhargavi, Asst. Professor & head, Department of physics. In this program around 90 students of science faculty were present.

institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in office, administrators and assigns)

AND

JAN SHIKSHAN SANSTHAN, Raipur (Scheme of Support to Jan Shikshan Sansthan (NGO's) for Skill Development by Ministry of Skill Development & Entrepreneurship, Government of India), Street 4B, New Shantinagar – Raipur and represented herein by its Director cum Member Secretary, Mr. ATUL SINGH (hereinafter referred to as 'SECOND Party' which expression unless excluded by or repugnant to the subject or context shall include its successors – in office, administrators and assigns)

(First Party and Second Party are hereinafter jointly referred to as "Parties" and individually as "Party") as

WHEREAS:

- A) First Party is a Higher Educational Institute named **Govt. Pt. Shyamacharan Shukla College Dharsiwa, RAIPUR,**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities
- C) The Parties intent to cooperate and focus their efforts on cooperation with areas of skill based training and education
- D) Both parties being legal entities in themselves desire to sign this MOU for advancing their mutual interests
- E) **JAN SHIKSHAN SANSTHAN, Raipur** the Second Party is engaged in impartation of Vocational Training and Skill Development courses related field

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE AGREES AS FOLLOWS:

CLAUSE 1 CO-OPERATION

Both Parties are united by common interests and objectives and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities of one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of the co-operation shall be governed by this MOU. The parties shall cooperate with each other and shall, as promptly as is reasonably practical enter into all relevant agreements, deeds and documents (the "Definitive Documents") as may be required to give effect to the actions contemplated in terms of this MOU. The term of the Definitive Documents shall be mutually decided between the Parties. Along with Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the parties on the subject matter thereof.

**DIRECTOR,
JAN SHIKSHAN SANSTHAN,
RAIPUR. (G.G.)**

CLAUSE 2 SCOPE OF THE MOU

The Budding students from the institutions could play a key and vital role in Knowledge up-gradation, innovation and competitiveness of an industry. Both Parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design and Training: Second Party will suitably design and customize skill based curriculum as per NSDC (National Skill Development Corporation) for the First Party and will also impart training to the students by engaging suitable Resource persons by which students can be fit into the business scenario meaningfully by way of self-employment.

Placement of Trained Students: Second Party will not actively engage into Placement of the students of the First Party but will help with the quality delivery of the training into internships, whenever there is any requirement.

Welfare of the Society: Both parties will actively and collaboratively work for societal welfare works.

Both Parties to obtain all internal approvals, consents, permissions and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

There is a financial commitment on the part of the **Govt. Pt. Shyamacharan Shukla College Dharsiwa, RAIPUR**, the First Party to take up the programme of Assistant Beauty Therapist for female and Service Technician – Home Appliances for male candidate for academic session ending 2021-22 at the rate of Rs.4000 per candidate as per the proposal which will be paid to second party in his Development Fund Account number in the following manner:-

- A) Mobilization Advance – 30% with Admission form
- B) Balance Payment 70% in two equal installments at the end of first and second month respectively

- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities
- C) The Parties intent to cooperate and focus their efforts on cooperation with areas of skill based training and education
- D) Both parties being legal entities in themselves desire to sign this MOU for advancing their mutual interests
- E) **JAN SHIKSHAN SANSTHAN, Raipur** the Second Party is engaged in impartation of Vocational Training and Skill Development courses related field

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE AGREES AS FOLLOWS:

CLAUSE 1 CO-OPERATION

Both Parties are united by common interests and objectives and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities of one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of the co-operation shall be governed by this MOU. The parties shall cooperate with each other and shall, as promptly as is reasonably practical enter into all relevant agreements, deeds and documents (the "Definitive Documents") as may be required to give effect to the actions contemplated in terms of this MOU. The term of the Definitive Documents shall be mutually decided between the Parties. Along with Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the parties on the subject matter thereof.

CLAUSE 2 SCOPE OF THE MOU

The Budding students from the institutions could play a key and vital role in Knowledge up-gradation, innovation and competitiveness of an industry. Both Parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design and Training: Second Party will suitably design and customize skill based curriculum as per NSDC (National Skill Development Corporation) for the First Party and will also impart training to the students by engaging suitable Resource persons by which students can be fit into the business scenario meaningfully by way of self-employment.

Placement of Trained Students: Second Party will not actively engage into Placement of the students of the First Party but will help with the quality delivery of the training into internships, whenever there is any requirement.

Welfare of the Society: Both parties will actively and collaboratively work for societal welfare works.

Both Parties to obtain all internal approvals, consents, permissions and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

There is a financial commitment on the part of the **Govt. Pt. Shyamacharan Shukla College Dharsiwa, RAIPUR**, the First Party to take up the programme of Assistant Beauty Therapist for female and Service Technician – Home Appliances for male candidate for academic session ending 2021-22 at the rate of Rs.4000 per candidate as per the proposal which will be paid to second party in his Development Fund Account number in the following manner:-

- A) Mobilization Advance – 30% with Admission form
- B) Balance Payment 70% in two equal installments at the end of first and second month respectively

CLAUSE 3 VALIDITY

Agreement will be valid for Academic session 2021-22.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

It is expressly agreed that **Govt. Pt. Shyamacharan Shukla College Dharsiwa, RAIPUR**, and **JAN SHIKSHAN SANSTHAN, Raipur** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference delivered from the interpretation or application of the MOU shall be resolved by the arbitration between the Parties as per the Arbitration Act, 1996. The Place of the arbitration shall be at Raipur – Chhattisgarh. This undertaking is to be construed in accordance with the Indian Law with exclusive jurisdiction in the High Courts of Chhattisgarh.

SKILL DEVELOPMENT PROGRAM

On

“Assistant Beauty Therapist”

(1 June to 16 September, 2022)

Organized by

Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur (C.G.) In

collaboration with

Jan Sikshan Sansthan Raipur (C.G.)

&

HIRA Group Raipur (C.G.)

Final Report

Introduction: -

Government Pt. Shyamacharan Shukla College Dharsiwa Raipur (C.G.) aims to provide an education which is based on values, quality and employment oriented to the stakeholders. In order to achieve this objective college has organized a skill development program on Assistant Beauty Therapist during 1st June 2022 to 16th September 2022 in collaboration with Jan Shikshan Sansthan and HIRA Group, Raipur, Chhattisgarh.

Govt. Pt. Shyamacharan Shukla College, Dharsiwa and Jan Shikshan Sansthan, Raipur signed an MoU for skill training in beauty and wellness sector under which an 85 days training was scheduled from 1st June 2022 to 16th September 2022 with a course name Assistant Beauty Care (National Skill Quality Framework Level 3). Under this training program Mrs. Soma Ghosh, Senior Resource person of Jan Shikshan Sansthan, was appointed for daily classes comprising of 3 hours. The course syllabus bundled with theory classes, practical classes, life enrichment education, personality development modules and employability skills followed with assessment mechanism for the trainees. In this training program total 25 students were enrolled as trainees.

To monitor, direct and control this skill training class, a WhatsApp group was formed in which the resource person has to forward two pics of daily class at different interval of time with GEO-TAGGING the beneficiaries, so that timing of the classes can be recorded; apart from this Daily Activity Dairy is also to be written by the resource person along with daily signature of present beneficiaries.

Jan Shikshan Sansthan has also organized time to time guest lectures by the experts for enrolled student which made them to learn about different dimensions of beauticians/beauty and wellness sector which will enhance their employability skill.

Inauguration of program (08-10-2021): -
