About the webinar : -

The international day of the Indigenous People is observed on 9 August each year to spread awareness and protect the rights of the world's indigenous population. Tribal culture is the most significant identity of tribal community . Scholars distinguish between cultural expressions and their foundations. Expressions includes activities like dancing, dressing and artistry as well as the foundation includes marriage system, child-rearing, socializing, worshiping, governing and working .In this National Webinar we will discuss about the "Treasures of Tribal Culture" which includes language and life style of Tribal Community.
